GET THE BEST.

MURRAY & LANMAN'S FLORIDA WATER.

The most exquisite and delightful of all perfumes; contains in its highest degree of excellence the aroma of flowers, in full natural freshness. As a safe and speedy relief for Headache, Nervousness, Debility, Faintness, turns, and the ordinary forms of Hysteria, it is unsurpassed. It is, moreover, when diluted with water, the very best dentifrice, imparting to the teeth that clear, pearly appearance, which all Ladies so much desire. As a remedy for foul, or bad breath, it is, when diluted, most excellent, neutralizing all impure matter around the teeth and gums, and making the latter hard, and of a beautiful color. With the very elite fashion it has, for a quarter of a century, maintained its ascendancy over all other Perfumes, throughout the W. Indies, Mexico, Central and South America, &c., &c.; and we confidently recommend it as an article which, for soft delicacy of flavor, richness of bouquet, and permanency, has no equal. It will also remove from the skin roughness, blotches, Sunburn, Freckles, and Pimples. It should always be reduced with pure water, before applying, except for Pimples.—As a means of imparting rosinness and clearness to a sallow complexion, it is without a rival. Of course, this refers only to the Florida Water of Murray & Lanman.

FOR THE HANDKERCHIEF, THE TOILET, AND THE BATH, THE MOST AGREEABLE & REFRESHING OF ALL PERFUMES.

From the HON. THOMAS B. FLORENCE.
From the HON. THOMAS B. FLORENCE.
Washington, Jan. 1st, 1864.

Gentlemen—Having stated it verbally to you, I have no hesitation in writing the fact, that I experienced marked benefit from your Hoofland's German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.—Truly your friend,
THOMAS B. FLORENCE.

From the Rev Thos. Winter, D.D, Pastor of Roxborough Baptist Church.
Dr. Jackson—Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.—Respectfully yours,
T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Rutstown, Berks County, Pa.
Dr. C. Jackson—Respected Sir: I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.—Yours, with respect,
J. S. HERMAN.

From Julius Lee, Esq, firm of Lee & Walker, the most extensive Music Publishers in the United States, No. 722 Chestnut street, Philadelphia:
February 8th, 1864.
Messrs. Jones & Evans—Gentlemen—My mother-in-law has been so greatly benefited by your Hoofland's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and unhesitatingly recommend it to all who are suffering from dyspepsia. I have had that disease in its most obstinate form—flatulency—for many years, and your Bitters has given me ease when everything else had failed.—Yours truly,
JULIUS LEE.

From the Hon. JACOB BROOM:
Philadelphia, Oct. 7th, 1863.
Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.—Truly yours,
JACOB BROOM, 1707 Spruce Street.

"THE LAMP,"
New and Improved Series, in Monthly parts, price 9d. Yearly, \$1.75. The Lamp in 1866.
It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: "I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper." We have also had the assurance of the satisfaction of His Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorized to say that "His Eminence has been much pleased with the progress of the Lamp, and the position it has taken." Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of His Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got-up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realized. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor—publications which can hardly be called Protestant, because they have no religion, and often openly teach immorality—the success of the Catholic Magazine would be assured. It is their immense circulation, and the support they obtain from their respective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periodicals in a similar manner, it is impossible for them to attain superiority.

The LAMP has now the largest Circulation of any Catholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations by the first Artists of the day.
Price—Yearly, \$1.75. In Monthly parts, 9d. Agents for Canada—Messrs. D. & J. Sadlier & Co., Booksellers, Corner of Notre Dame and St. Francis Xavier Streets, Montreal, O.E.

THE SUBSCRIBER having, by a new and special arrangement, been appointed by Messrs. JACQUES & HAY, of TORONTO, their sole and only Agent in THIS CITY, for the Sale by Auction, of their splendid FURNITURE, takes the earliest opportunity of announcing to the Citizens of MONTREAL and the public generally, that he will, from time to time during the ensuing Spring, offer at his spacious and well established premises, No. 267 NOTRE DAME STREET, the various extensive consignments direct from this celebrated establishment, embracing all the new styles of their elegant and elaborately carved and polished BLACK WALNUT FURNITURE, in every variety and description necessary to meet the demands of modern taste and convenience.
In addition to the Sale at his own Stores, the Sale of HOUSEHOLD FURNITURE and EFFECTS at the private residence of parties declining House-keeping or removing from the city, will claim special attention; and all OUT-DOOR SALES of this description are respectfully solicited. Increased facilities have been secured, with the view to the efficient carrying out this department of the business, in order to ensure the greatest economy and despatch in disposing of property, so that parties selling out can have their account, sales and proceeds immediately after each sale.
Special attention will be given to the Sale of REAL ESTATE and CITY PROPERTY, and as this department of the Auction business is becoming more important with the increase and extension of the City, the undersigned offers the most Liberal Terms to parties wishing to bring their property into the market for public competition.
A great hardship has been felt by both buyers and sellers, the former being taxed illegally with one per cent. on the amount of purchase, and the latter by the exorbitant charge for commission and advertising.—Now, the undersigned proposes to do away with this grievance as far as his own business is concerned, by undertaking the Sale of Real Property, on conditions which, it is hoped, will meet the views of all parties, namely—
1st—There will be no charge of one per cent to the purchaser.
2nd—When bona fide sales are effected not exceeding \$5000, the commission will be 2 1/2%; and on amounts from \$5,000 upwards, only 2%, exclusive of the cost of advertising; upon which the regular trade discount of 25 per cent. will be allowed.
3rd—When property is bought in, reserved, or withdrawn, no charge will be made, except the actual disbursement for advertising.
The undersigned avails himself of this opportunity of returning his sincere thanks to the public for the very liberal patronage bestowed on him during the past four years, and trusts, by prompt attention to business, and strict adherence to the foregoing programme, to meet a continuance of the same.
N.B.—All orders left at the Office will meet with immediate attention.
