CALENDAR FOR NEXT WEEK

November,

- 21, Last Sunday after Pentecost, Presentation of the Blessed Virgin.
- 22, Monday—St. Cecilia, Virgin, Martyr.
- 23, Tuesday—St. Clement, Pope, Martyr.
- 24, Wednesday—St. John of the Cross, Confessor.
- 25, Thursday—St. Catherine, Virgin, Martyr.
- 26, Friday—St. Leonard, Confessor.
- 27, Saturday—St. Sylvester, Abbott (transferred from yesterday).

BRIEFLETS.

Brother Pelletier, O.M.I., arrived last Saturday from the east, to labor in this diocese.

His Grace was well enough to take a walk outside the hospital last Saturday morning.

Rev. Father Cherrier lately visited St. Pierre Jolys in the interest of the Catholic schools.

Rev. Father Conan, O.M.I., has been transferred from the St. Albert diocese to the archdiocese of St. Boniface. He arrived here last week.

To give an idea of the value of dogs in the north it may be mentioned that Rev. Father Desmarais, of Lesser Slave Lake, sold his train of dogs for \$100 before leaving.—ALBERTA TRIBUNE.

Next Monday evening, Nov. 22nd, the Catholic Truth Society will meet in St. Mary's School room to organize for the winter. All friends and well-wishers of the Society are earnestly requested to attend.

The Faithful Companions of Jesus have twenty-six boarders in their fine convent of Rat Portage. Eight of the Mothers go out every day to teach in the Catholic schools of Rat Portage, Norman and Keewatin.

La Verite remarks, with a causticity understood by those who are acquainted with the facts, that, if Judge Routhier is really appointed Lieutenant-Governor of the Northwest Territories, no one will accuse the Liberals of being ungrateful.

The Grand Jury finds fault with the management of the Siskirk Asylum, severely condemning its filthy condition, the overcrowding of the poor lunatics and the insufficient staff of attendants. It is hoped that the Hon. Robert Wats on will remedy this.

The Weekly Review of Portage La Prairie complains of the delay in settling the Duluth railway scheme. The expense, it alleges, of these abortive journeys to and from Chicago and elsewhere, is enormous. It suggests that Mr. Greenway "is probably keeping up his bluff in order to get the C.P.R. to fix him."

The Queen has conferred on the Emperor Menelik of Abyssinia the Grand Commandership of SS. Michael and George, a step on Her Majesty's part which will be regarded with strange feelings in Italy by the government of King Humbert whose forces Menelik so recently overthrew. England, because of its Protestantism, is the ally of Italy because of the anti-Papalism of Humbert's Government. The conferring of this distinction by England upon the monarch, who so soundly thrashed the invading army of England's informal ally, must have a sobering, not to say a chilling, effect on those Italians who

have been making so much of their English "alliance."—PRESTON CATHOLIC NEWS.

Rev. Father Rochon, brother of Inspector Rochon, was the guest of Father Cherrier last week and will remain a few days in the province.

Rev. Father La Rue, S.J., sang High Mass at the Immaculate Conception last Sunday. Rev. Father Drummond, S.J., will preach in the same church next Sunday evening.

The long-delayed life of Cardinal Wiseman, begun by the late lamented Father Morris, S. J., is now about to appear. Mr. Wilfrid Ward lately sent the last proof sheets to the printer.

Mr. N. D. Beck, Q. C., formerly editor of the Northwest Review and now town councillor of Edmonton, stopped over for one day last Friday in Winnipeg, on his way back from Ottawa.

The falsehoods of the American newspapers in reference to Gen. Weyler and Cuban affairs generally are understood in London, as we gather from remarks of the Morning Post cabled on Saturday. Many of these papers circulate in Canada, and between them and dispatches sent out from the Key West factory, a vast number of Canadians have been imposed upon. It is safe to disbelieve every particle of Cuban news that is of American origin.—FREE PRESS (Winnipeg.)

Congratulations poured in upon Rev. Father Didaeus Guillet, O.M.I., last Saturday, the 13th inst., feast of his patron saint. Several of the clergy dined with the popular and amiable pastor of St. Mary's, and the teachers and pupils of the Catholic schools in the parish presented addresses and beautiful gifts. The Review gladly joins its humble rejoicings to those of Father Guillet's grateful flock. Assuredly, without instituting comparisons, we may safely say that no pastor of St. Mary's has ever done more for his people.

The new Indian Industrial School, situated about two miles from Rat Portage in the midst of picturesque scenery opposite Coney Island, is a fine brick building, 72 by 38 feet and three storeys high in its main part. Rev. Father Cahill, O.M.I., assisted by Mr. Murphy, late of St. Boniface Industrial school, and Mrs. Boileau, conducts this admirably appointed establishment. The interior of the building is a model of neatness and convenience, well heated and lighted. Just now there are nineteen young Indian boys and girls, who all look cheerful and contented.

Letellier & St. Pie.

Mr. and Mrs. Amedee Saurette returned last week from the Golden Jubilee celebration of the wedding of Mrs. Saurette's Mother and Father, at Terre Bonne, Dakota. The ceremony was performed by the Rev. Father Marcell of Trinidad, their eldest son, who had come from his distant mission on purpose. The event was all the more remarkable by another elderly couple celebrating their golden wedding on the same day, and by the bridesmaid and best man being in their 48th year of wedded life.

Father Marcell came back with his sister and brother-in-law to spend a few days in his old parish of St. Pie, of which he was I believe the first priest, now some eighteen or twenty years ago. The weather continues splendid and the roads have recovered from the rain of last week. We lately lost from our midst a young man in the prime of life, Mr. Victor Robert; his young widow and her little boy leave this week to take up their residence with her father at Ste. Anne. Great sympathy is felt for her and all the family in their sad and sudden bereavement.

The school is well attended, the last few days the number of the children present being 39.

An Orange Mutiny.

The Ulster Orangemen are up in arms against the Government, the cause of the mutiny being the attitude of the Ministry on the matters of Irish Local Government and the establishment of a Catholic University in Ireland. Lord Londonderry and Dr. Kane are the leaders of the Orange disaffection. They object to the promises of Unionist candidates that they will make Local Government in Ireland what it is in Great Britain. Dr. Kane wants it, if it must come, "adjusted to the special character of the country." In other words, of a kind to maintain Orange ascendancy.—PRESTON CATHOLIC NEWS.

It is a painful sight to see an otherwise robust man limping along on a crutch or cane, a sufferer from rheumatism. Rheumatism is a disease that will never attack a man who keeps his blood pure and rich. There is just one way to do this. That is, to keep the digestion and assimilation perfect and the liver and bowels active.

All cases of rheumatism are promptly cured by Dr. Pierce's Golden Medical Discovery. It creates a keen, hearty appetite, corrects all disorders of the digestion, and all weakness of the stomach. It makes the assimilation perfect, the liver active, the blood pure and rich with the life-giving elements of the food, the nerves strong and steady, and it drives all impurities and abnormal acids from the blood. It allays inflammation and dispels pain. It is the great blood-maker and flesh-builder. It does not make corpulent people more corpulent. Unlike cod liver oil, it does not build flabby flesh, but tears down the unhealthy, half-dead tissues that constitute corpulence, carries them away and excretes them, replacing them with the firm tissues of health. Thousands have testified to its merits. Sold at all medicine stores.

"I have been afflicted with rheumatism and kidney trouble," writes Mr. C. B. White, of Grove, Geauga Co., Ohio. "I suffered untold pain. I was afraid I would lose my mind. At times was almost entirely helpless. There had not been a night for three years that I could rest in any position. I tried Dr. Pierce's Golden Medical Discovery. I used three bottles of it and am well of both diseases."

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them and there's nothing else "just as good."

St. Boniface College.

THE ONLY Catholic College In America...

That competes annually with half a dozen Protestant Colleges & Collegiate Institutes

In proportion to the number of its pupils, St. Boniface College...

Has Won... More Scholarships

Than any of its Protestant Competitors.

Read the following extract from the Northwest Review, July 8th, 1897:—

The students of St. Boniface College came off with even more than usual success. They captured the two scholarships for Greek, Achille Rousseau, of the previous year, winning the coveted \$40 over 26 competitors from his own and other colleges, and Jean Arpin the corresponding \$25 in the Preliminary over twenty competitors. As our candidates numbered only eight against forty from three other colleges, this double victory redounds greatly to their credit. Moreover Achille Rousseau was fourth out of seventy-seven in Latin and Algebra, Antonin Dubuc was first out of one hundred and thirty from St. Boniface, Winnipeg, Portage La Prairie, Brandon and Regina, in the Latin of the Preliminary. The French and History scholarship of \$60 in the Previous was won by Fortunat Lachance. In the Latin course of Mental and Moral science, Marius Cinq-Mars took his B. A. degree with first class honors and the Silver Medal, while Noel Bernier and E. J. Golden divided the two scholarships in the Junior B. A. year, receiving \$100 each. The only other student in this year, Gustave Rocan, obtained first class marks in all the honor papers of his course. The St. Boniface candidates maintained their long established reputation for thoroughness in the pass subjects, Cinq-Mars being second out of twenty-eight in Latin and first out of thirty-three in Physics. Not one of the St. Boniface men failed in anything.
