EDITORIAL NOTES.

Owing to unforeseen circumstances our Anniversary Number was somewhat delayed, however, better late than never. The circulation of « La Vie » has grown considerably and will, we hope, continue to do so. We are glad to welcome the Pay Office as subscribers and hope in the near future to send copies to No 1 Canadian Forestry Company.

We note that contributions are coming in more freely and are seriously considering having a runner in connection with the « Contribution Box », owing to the tremendous amount of extra labor falling
