

Article 14

OPERATING PRINCIPLES

The operations of the Bank shall be conducted in accordance with the following principles:

- (i) The operations of the Bank shall provide principally for the financing of specific projects, including those forming part of a national, sub-regional or regional development programme. They may, however, include loans to, or guarantees of loans made to, national development banks or other suitable entities, in order that the latter may finance specific development projects whose individual financing requirements are not, in the opinion of the Bank, large enough to warrant the direct supervision of the Bank;
- (ii) In selecting suitable projects, the Bank shall always be guided by the provisions of paragraph (ii) of Article 2 of this Agreement;
- (iii) The Bank shall not finance any undertaking in the territory of a member if that member objects to such financing;
- (iv) Before a loan is granted, the applicant shall have submitted an adequate loan proposal and the President of the Bank shall have presented to the Board of Directors a written report regarding the proposal, together with his recommendations, on the basis of a staff study;
- (v) In considering an application for a loan or guarantee, the Bank shall pay due regard to the ability of the borrower to obtain financing or facilities elsewhere on terms and conditions that the Bank considers reasonable for the recipient, taking into account all pertinent factors;
- (vi) In making or guaranteeing a loan, the Bank shall pay due regard to the prospects that the borrower and its guarantor, if any, will be in a position to meet their obligations under the loan contract;
- (vii) In making or guaranteeing a loan, the rate of interest, other charges and the schedule for repayment of principal shall be such as are, in the opinion of the Bank, appropriate for the loan concerned;
- (viii) In guaranteeing a loan made by other investors, or in underwriting the sale of securities, the Bank shall receive suitable compensation for its risk;
- (ix) The proceeds of any loan, investment or other financing undertaken in the ordinary operations of the Bank or with Special Funds established by the Bank pursuant to paragraph 1 (i) of Article 19, shall be used only for procurement in member countries of goods and services produced in member countries, except in any case in which the Board of Directors, by a vote of the Directors representing not less than two-thirds of the total voting power of the members, determines to permit procurement in a non-member country or of goods and services produced in a non-member country in special circumstances making such procurement appropriate, as in the case of a non-member country in which a significant amount of financing has been provided to the Bank;
- (x) In the case of a direct loan made by the Bank, the borrower shall be permitted by the Bank to draw its funds only to meet expenditures in connexion with the project as they are actually incurred;
- (xi) The Bank shall take the necessary measures to ensure that the proceeds of any loan made, guaranteed or participated in by the Bank are used only for the purposes for which the loan was granted and with due attention to considerations of economy and efficiency;
