

## Office furniture

The very latest in design, the highest manufacturing quality, diversity of concepts, solutions and materials, with overall value that compares advantageously to cross-border competitors: in a nutshell, the excellence of the offerings of the Canadian contract furniture industry.

Decorators, designers and architects will find the following pages feature outstanding alternatives in this field.

## Le mobilier de bureau

Design à la fine pointe de l'actualité, haute qualité de fabrication, diversité des concepts, des solutions et des matériaux, une valeur d'ensemble qui se compare avantageusement à celle de ses concurrents outre-frontières, voilà ce qui explique l'excellente prestation de l'industrie canadienne du meuble contrat.

Responsables en aménagement, architectes et designers trouveront ici beaucoup plus qu'une simple alternative.
