Publicity and Extension Division,  
Department of Agriculture,  
Ottawa, Ontario.

**MEDIA:**

Publications: Periodicals: The Department issues a *Farm News Press Clip Sheet* (weekly, English) containing brief news items of interest to Canadian farmers. Distributed to farm papers across Canada.

Other Publications issued from time to time are listed in the Department's official *List of Publications* (annual, English and French). Publications on this list cover such subjects as the care and feeding of livestock, dairying, field crops, horticulture, crop protection, fertilizer, farm machinery, farm management, poultry, bees, food conservation, insects and plant diseases, marketing, etc. The Department also publishes reprints from leading agricultural and scientific periodicals.

Films,  
Filmstrips:

Documentary films (16mm and 35mm, English and French) and filmstrips of interest to farm audiences; these are produced and distributed by the National Film Board.

Graphics:

Lantern slides, posters, wall-hangers and other graphic material as well as travelling exhibits dealing with rural and farm activities.

### 2. EXTERNAL AFFAIRS.-

Department of External Affairs,  
Ottawa, Ontario.

(See also 24)

**MEDIA:**

Publications: Publications in the *Treaty Series* give the text of international agreements as enacted between Canada and the Governments of other countries.

Reports in the *Conference Series* cover the proceedings of certain international conferences in which Canada has participated.

The Department also publishes a list of "Canadian Representatives Abroad and Representatives in Canada of the British Commonwealth and Foreign Governments" as well as a "Diplomatic List with which is included the list of British Commonwealth Representatives and of Consuls General in Ottawa".
