

EXCHANGE OF LETTERS (APRIL 15 AND 16, 1952) BETWEEN CANADA AND THE UNITED STATES OF AMERICA PROVIDING FOR THE RENEWAL OF THE ARRANGEMENT OF 1942 FOR THE EXCHANGE OF AGRICULTURAL LABOUR AND MACHINERY.

I

The Acting Under-Secretary of State for External Affairs to the Chargé d'affaires ad interim of the United States of America to Canada

DEPARTMENT OF EXTERNAL AFFAIRS

OTTAWA, April 15, 1952.

DEAR MR. BLISS,

By an exchange of letters dated March 15 and 16 1951*, our Governments renewed for the duration of 1951, an agreement first entered into in 1942 for the exchange of harvesting machinery and crews in the prairie regions of Canada and the United States, and for other movements of farm labour between our two countries.

During the past year the results achieved under this agreement have proved very satisfactory, and for this reason the Canadian Government wishes to extend the agreement through 1952. I would appreciate your letting me know whether the United States Government shares this desire.

Should this proposal meet with the approval of your Government, it is the suggestion of my Government that this letter and your reply be considered the formal extension, until the end of 1952, of the agreement which was effective last year, and that the details of the movement of farm labour and machinery mentioned above be arranged between the Canadian and United States officials directly concerned.

Yours sincerely,

ESCOTT REID,

*Acting Under-Secretary of State for
External Affairs.*
