RECEIPTS AND DISBURSEMENTS OF THE HOUSE OF COMMONS.

Mr. SPEAKER. I have the honour to lay before the House a statement of the receipts and disbursements of the Accountant of the House of Commons, for the year ending 30th June, 1883.

JOINT COMMITTEE ON THE LIBRARY.

Sir JOHN A. MACDONALD moved:

That a Select Committee, composed of Messrs. Blake, Bracken, Cameron (Huron), Colby, Daly, Davies, Desjardins, Fortin, Houde, Laurier, Ouimet, Scriver, Tassé, Weldon, Wells, and Wright, be appointed to assist Mr. Speaker in the direction of the Library of Parliament, so far as the interests of this House are concerned, and to act as members of a Joint Committee of both Houses on the Library.

Mr. BLAKE. Is this the same as last year?

Sir JOHN A. MACDONALD. Yes.

Motion agreed to.

JOINT COMMITTEE ON PRINTING.

Sir JOHN A. MACDONALD moved:

That a Message be sent to the Senate, requesting that their Honours will unite with this House in the formation of a Joint Committee of both Houses on the subject of the Printing of Parliament, and that the members of the Select Standing Committee on Printing, namely, Messrs. Baker (Missisquoi), Bergin, Bourassa, Bowell, Desjardins, Foster, Houde, Innes, Landry (Montmagny), McDonald (Cape Breton), Somerville (Brant), Tassé, Thompson, Trow, and White (Cardwell), will act as members, on the part of this House, of the said Joint Committee on the Printing of Parliament.

Sir RICHARD CARTWRIGHT. Before that motion is passed, I would like to make a suggestion to the hon. the First Minister. I think that Committee, if I remember aright, regulates the number of copies of our Sessional Papers that are issued in the year; at least, that is my recollection. The matter is one which, I think, would commend itself to him, and probably to most of us. I would suggest that, in future, we adopt the rule which I understand is adopted in England, that all gentlemen who happen to have been members of this House, and who choose to apply after leaving this House, or being unable to regain seats in this House, should have the various Sessional Papers sent to them,—should have that privilege on application. My attention was called to the matter during the last year. I had no cause to complain in my own instance, as my friends kept me admirably supplied with the Sessional Papers; but I know that many gentlemen who have been members of this House have made collections of these papers, and would like, without troubling their friends, to have them sent to them from year to year; and it would not add much to our expenditure in this direction if this were done only on application, as some gentlemen do not care to have them. I think it would be a very proper courtesy to extend to gentlemen who have had the honour of being members of this House.

Sir JOHN A. MACDONALD. It is a suggestion worthy of all consideration, and I would commend it to the best attention of the Committee on Printing, when they meet.

Motion agreed to.

ELECTORAL FRANCHISE BILL.

Sir JOHN A. MACDONALD. Mr. Speaker, by the consent of the House, in order to expedite business, I will move for leave to introduce Bill (No. 7) respecting the Electoral Franchise. The Bill is substantially the same as that of last Session, and will be distributed as soon as possible.

Mr. BLAKE. I suppose the amendments are too trivial to deserve detailed mention on this occasion.

Sir JOHN A. MACDONALD. They are not so important as to warrant me in taking up the time of the House in a long discussion.

Bill read the first time.

BILL INTRODUCED.

The following Bill was introduced—and read the first time:—

Bill (No. 8) for constituting a Board of Railway Commissioners for Canada, and to amend the Consolidated Railway Act, 1879.—(Mr. McCarthy.)

INDIAN AGENT AT PENETANGUISHENE.

Mr. COOK enquired, Whether any Indian Agent has been appointed at Penetanguishene? If so, when, his name in full, amount of salary, when did salary commence, and what is the extent of his district?

Sir JOHN A. MACDONALD. Yes; an Agent was appointed by Order in Council of the 31st of January, 1883; his name is Henry Horace Thompson; the salary is \$500 per annum; payment of the salary commenced on the 21st March, 1883, when Mr. Thompson commenced his duties; the Agency embraces the Christian Islands in the Georgian Bay.

INSPECTION OF NEWFOUNDLAND HERBING.

Mr. FORTIN, moved for an Address to His Excellency the Governor General for copies of all correspondence between the Government of Canada and the Government of
