Dean H. Barton,  
Macdonald College, P.Q.

My dear Dean Barton:-

In reading over the list of teachers at Williams College I note the name of Professor Brunt. I have always been under the impression that Professor Brunt was and extremely hard-worked member of the teaching staff of Macdonald College, and I also know that he gives some public lectures in connection with the Extra-Mural Department. Will you please inform me how many hours a week Professor Brunt teaches in the three schools at Macdonald?

Yours faithfully,

Principal.
