SIR ASTLEY COOPER'S MILD APERIENT ANTI-BILIOUS PILLS,

FOR THE CURE OF

Bilious Disorders, Liver Complaint, Indigestion or Dyspepsia, Habitual Costiveness, Sick Headache, Giddiness, Heartburn, Flatulency, Loss of Appetite, Irritability, Nervousness, Languor, Lethargy, Low Spirits, General Debility.

THE distinguished patronage with which these sterling Pills have long been honored, the beneficial effects which have constantly resulted from their use, the purity of the ingredients which enter into their composition, the careful and peculiar mode of preparation, and the great and increasing demand for them from every quarter of the globe, prove at once their superiority over all similar preparations in Europe or America. Prepared from the original recipe of the distinguished Physician and Surgeon, the late Sir ASTLEY COOPER.

IMPORTANT CAUTION.

In consequence of the great demand for these most excellent PILLS, they have been extensively counterfeited by several unprincipled persons both in Canada and the United States, and in order to secure the public for the future, from all danger or risk of counterfeits, the proprietors have caused to be engraved, at great expense, a highly-finished label, which is placed on the outside of the wrapper, and also on the top of each box, and on which is engraved the likeness of the late Sir Astley Cooper, from the celebrated painting by Lawrence, with the words, "SIR ASTLEY COOPER'S APERIENT ANTI-BILIOUS PILLS."

And in order to afford the public a still further protection, the proprietors have placed the facsimile of their signature on the outside wrapper, and also on the directions which accompany each box; without these marks of authenticity, they are spurious and an imposition.

PERRY DAVIS' VEGETABLE PAIN KILLER

STILL TRIUMPHANT.

And after a thorough trial, by innumerable living witnesses, has proved itself

THE MEDICINE OF THE AGE.

ALTHOUGH there have been many Medicinal Preparations brought before the public since the first introduction of PERRY DAVIS' VEGETABLE PAIN KILLER, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world, as the best Family Medicine ever introduced.

As an Internal and External Remedy it is truly a source of

JOY TO THE WORLD!!

One positive proof of its efficacy is, that the sales have constantly increased, and wholly upon its own merits, as the Proprietors have not resorted to Advertising to gain for it the rank it now holds among the great number of preparations of the present time. The effect of the Pain Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing Pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century. The magical effects of the Pain Killer, when taken or used according to directions, are certain. You have only to be sure that you buy the genuine article and adhere to the directions in its use, and you will admit its wonderful medicinal properties.

The genuine Perry Davis' Pain Killer is now put up in panel bottles, with the words, "Davis' Vegetable Pain Killer" blown in the glass, and with two Steel Engraved Labels on each bottle—one an excellent likeness of Perry Davis, the Original Inventor of the Medicine, the other a steel engraved note of hand—none others can be relied upon as genuine.

Price of Bottles—12½ cents, 25 cents, 50 cents, and \$1, respectively.
