Classical legends, myths, poems, and songs are so introduced as to correlate fully with these lessons, to which the excellent illustrations are no little help.

"The Woodranger Tales," like the "Pathfinder Tales" of J. Fenimore Cooper, combine historical information relating to early pioneer days in America with interesting adventures in the backwoods. Although the same characters are continued throughout the series, each book is complete in itself, and, while based strictly on historical facts, is an interesting and exciting tale of adventure.
