#### ATHLETIC RECORDS

Our old friend "Pop" displays his usual energy and accuracy in compiling the official record book of the track, field and flood in Canada. May his shadow never grow less. The little book is practically indispensable to those interested in games and races, especially the hear-experts in newspaper offices. The publication is issued by the Copeland Company of Toronto. The athletic record book appeared a day after the hockey guide, but the curling annual is still being eagerly looked for in vain.

W.E. Y.M.C.A. HOUSE LEAGUE.

The standing of the league took a startling change while the Dusters dusted the Scrubbers for three games. The Cleaners, instead of cleaning up the Brushers, got a good brushing from the Brushers. The Moppers also got a good polishing from the Polishers. Some of the boys held up their average, but others failed. Evis pulled up the three high games with a total of 615, and Smart was a good second with 602. Parkes came along with a nice single of 236. Evis was well up also with 232. The league is all over now but the cheering, unless the Dusters happen to slip next Tuesday.

#### **FAST PACING AT DUFFERIN PARK**

Homer Mack Wins in Straight Heats, the First Close to World's Record.

Ol Sol did not shine out in all his glory for the opening of the ice races yesterday at Dufferin Park, under the auspices of the Dufferin Priving Club. On the other hand, Jupiter Pluvius was there with bells on. Still, the races were of the best, and those in attendance witnessed some of the finest harness contests possible. The fields were not large, but were evenly balanced, and how they did race! The attendance was extra good, considering the day, many from a distance being noticed in the crowd.

The 2.35 pace was the first race. The original entry list was eleven, but only six horses scored for the word. Billie six Morses scored for the word. Billie Brino was favorite in the pools, selling \$50, and the whole field against him about the same money Maggie C. was split-favorite in the books. F. M. Upton of Rochester, N.Y., who is starting judge, had the best command of his fields. He gave the drivers a nice talk before each had the best command of his lields. He gave the drivers a nice talk before each race, and asked for their co-operation, a and it would cause less scoring and save much time, With very little delay, they were given the word. Major Direct drew the pole, with Maggie C. in second position, while the favorite, from an outside position, was away winging, and it was a horse race to the quarter, where Maggie C., who had grabbed the pole at the first turn, went to a break, but recovered quickly, and it was a desperate finish between Billie Brino and Maggie C., the former getting the decision, Maggie second and Toneco third. Time 2.16¼, the fastest ever made over ice in a 2.35 pace at the Dufferin track, and possibly over any other ice track. This heat took a good deal of steam out of the first and second horses, and Toneco, who was a good drird, won the next two heats in 2.18 and 2.20, with Billie Brino fighting every inch- of the way. The race will be finished Thursday.

The 2.09 pace was the next even carded. Six very classy pacers came to the wire. Homer Mack (2.06%), owned by J. W. McLain, a wealthy western gentleman who owns a ranch of 6000 acres, and who owns and races his horses for the pure pleasure, was in attendance to see his good horse come within a quarter of who owns and races his horses for the pure pleasure, was in attendance to see his good horse come within a quarter of a second of the world's record on ice over a half-mile track, in a race, Homer stepped the first heat in 2.13½. Grattan Royal, driven by Nat Rayhold, in 1912, over Dufferin track, stepped the first mile in a race in 2.13½, and it still holds good. Homer Mack won in straight heats, Rouse's Point Boy getting second money, Grand Opera third. The theat miles were 2.13½, 2.15 ½, 2.15½.

The third race carded was for 2.30 trotters. This race also remains unfinished. Sanatel won the first heat; but was set back for continued running. Jean T., who had finished second, was set up one posttion, giving her the heat, with Dame Donnie, ch.m., by Twelfth Night; Dr. Hutchinson, Brampton (Shaver)

2.25½, Aley won the next two heats in 2.25½, and 2.23, Dame Donnie fitnishing second and third and Sanatel third and second second and third and Sanatel third and second secon
