HEALTH IS HAPPINESS.

HORNE & WEST'S ELECTRO-MAGNETIC MEDICAL BELT.

"WHY IS ELECTRICITY LIFE?"

THIS BELT is one of the wonders of the age, both as a scientific instrument, and, in its power to remove what has been supposed to be incurable disease, it answers the above question.

This belt is a *new departure* in **Medical Electricity**, and its construction and application to the body is based on entirely **new** principles. A **New Theory**, instantly removing Pain. It grapples with disease, and overcomes it by transforming electricity into the weakened life forces, and thus restoring health and vigor.

The Electro-Medical Principles upon which the action of this belt is based, were discovered by actual *experimental applications* of Electricity to the cure of the diseases named below, and while the belt is:

Highly Scientific, will last for years. It is equally simple, practical and easy of adjustment. It is so powerful in its action, that it is capable of running a

Telegraph an Hundred Miles, or of burning the flesh of a person, or it will reduce the strong current to so gentle a tension that it will not disturb the

Nerves of an Infant in its passage. It produces a large quantity of the electric force, and conveys it on the nerves through the body, and to every organ in it. The electric current enters the spine at the sacral plexus, or "small of the back," thence to the "poles" of the nervous system, and by so doing, it strengthens the nerves and restores to health and activity

Every Organ in the Body. It also conducts the current all over the outside of the body, thus removing all external ailments of nerve and muscles arising from disease.

It will Cure the following Diseases:

Female Diseases.—	Sexual Exhaustion,
Pains in the Back,	Hernia, or Rupture,
Hips, Head or Limbs,	Asthma,
Nervous Debility,	Heart Disease,
Lumbago,	Dyspepsia,
