Great Indignities offered to the Electors of Woodhouse.

◆ Mark the men!—Two of Mr. Walsh's minions.—F. G. Stanton, of Simcoe, and Joseph Bell, of Port Dover, have actually had the assurance of Swearing all the Powell Voters at Woodhouse; the chief objects of their spite and annoyance, were the oldest citizens in our midst. Persons who have held their deeds for 30 years or more, are the most closely questioned. Will the Electors of Norfolk submit to such indignities?
