Sandy Hook about 11 p.m. on Thursday, the 18th.

Meanwhile the Carpathia will be within the wireless range of several stations along her course. Her wireless plant has a radius of about 150 miles, according to the Cunard Company, altho the last government publication gave it at 85 miles. She will be south and abreast of Sable Island late to-dayor to-morrow, at a distance of about 150 miles. This promises to bring her within direct wireless communication with Sable Island. Her present the Olympic and other intervening shins having a longer radius of wireless.

The Carpathia's course may bring her about forty-five miles south of Nantucket, wheer she is due early Thursday. This brings her within easy range of the powerful wireless station and Siasconsett. Nantucket. She will then be 195 miles from New York.

They Thursday the Carpathia will be

Nantucket. She will then be 195 miles from New York.

Thru Thursday the Carpathia will be moving along the south shore of Long Island, passing the wireless station at Sagaponack Thursday morning, and Fire Island later in the day.

It will be at these various stations along the course of the Carpathia that chief dependence is placed for details of the disaster and its survivors.

MAGISTRATE SPEAKS FOR ZAM-BUK

Magistrate I'erry, of Goldfields, B.C., believes in making a good thing known. Writing of Zam-Buk, the great household balm, he says:—"After a very tair trial I have proved Zam-Buk eminently satisfactory. In my case it cured a skin rash of five years' standing which no doctor had been able to do any good for. I would certainly encourage any parson to keep Zam-Buk in his home." The magistrate is quite right. Every home needs Zam-Buk! Unequalled for cuts, burns, bruises, eczema, blood poisoning and all skin diseases. All stores and druggists sell it at so cents a box. Sure cure for piles.

DON'T NECLECT THAT SORE!

A Chicago man has just died from blood poisoning arising from neglect of a small sore. Don't neglect a cut, a patch of eczema, or an open sore of any kind. The air is full of poison germs, waiting to start up their evil results in neglected sores, wounds, etc. In Zam-Buk is safety. Zam-Buk is so highly antiseptic that applied to am-skindisease or injury it makes blood poisoning im-possible. In using Zam-Buk you have three processes going on at once for Zam-Buk is healing A GENUINE OFFER.

TEST ZAM-BUK AT OUR EXPENSE! We appreciate the position taken by the man or woman who says:—"If your preparation is what you claim, you should have no objection to letting us try it before spending our money on it." To every person taking this view we say, send one cent stamp (to pay return postage) and name and date of this paper to Zam-Buk Co. Toronto, and we will mail you a free trial box of Zam-Buk. Zam-Buk is purely herbal, suitable for the delicate skin of little children, yet powerful enough to heal-chronic sores skin of little children, yet powerful enough to heat chronic sores of long years' standing. All druggists and stores, 50c. per box, 3 for \$1.25.

50 cents a box. Sure cure for piles. Every Home Needs am-Buk
