The Toronto Football Association met on Wednesday in the Central Y.M.C.A. to draw up the schedules for the coming season. Three new teams were admitted to the intermediate section—the Torontos, the Silent Eleven Club and the Parkdale Albions. In the juvenile section one team was admitted—Little York. All the games commence on Sept. 30, and many interesting games are sure to follow. In the following schedules the last named team is the home club. The secretary of each club should immediately send to the secretary of the association his address and the location of their grounds. The home team must also notify the visiting team as to location of grounds and time the game is called, at least one day previous to the match. The junior and juvenile teams are requested to have the affidavits of age of each player in the hands of the secretary before the first game. Either an affidavit before an attorney or a certificate from the first game. Either an affidavit before an attorney or a certificate from the registrar-general at the parliament buildings, Queen's Park, will be neces-sary for each player in the junior and fuvenile series.
