These gentlemen are thoroughly representative of the various important branches of the industrial and commercial interests in Canada. They are in close touch with those interests, and are in a position to give the best advice on all matters of business with which the Bank may be concerned.

Arrangements have been made whereby the office, of the General Manager will be filled by a well-known and experienced banker.

In addition to the Bank's strong position in financial centres the proposition to extend the hours of banking will at once make the Monarch Bank popular with the public. Only recently a bank to keep open day and night was organized in the City of New York, and its success has been phenomenal, as the convenience and increased facilities for handling business, immediately appealed to the merchants and general

to build up needed flesh and strength. It rouses every organ into natural action, promotes all the bodily functions, and restores health and vigor.

For every disease that comes from foul or Weak Stomach, a torpid Liver or impure Blood, Dyspepsia, Indigestion, Biliousness, and the most stubborn Skin, Scalp, or Scrofulous affections, the "Discovery" is a sovereign remedy. Don't be hypnotized, wheedled, or over persuaded into accepting a substitute only that some selfish medicine seller may make a greater profit on the inferior article. The "Discovery" has a great record of nearly forty years with thousands of cures behind it.

Dear Sir—Several years ago my blood be-

sands of cures behind it.

Dear Sir—Several years ago my blood became impoverished and I became run down in health. I had no appetite, could not sleep, and was practically unfitted for work. Suffered from innumerable boils and was in bad shape. Dr. Pierce's Golden Medical Discovery relieved me of my wretched condition. The medicine built up my system and restored me to a normal condition of health. I can speak most highly also, of Dr. Pierce's Favorite Prescription, as it has been used in my family for years in cases of female trouble. VALENTINE FRANK.
