HIS TOUR OF ONTARIO

Hon. Hugh John Macdonald Captivated the Gree Audience of Scotch and French at the Glen-

The Conservative Leader, Who is Still Suffering From an Injured Knee, Left the Talking to His Able

The Conservative leaders held the first of their political picnics here to-day. It rained torrents in the morning, but cleared up all he had said in French. [Laughter.] in the afternoon, and the day closed raw and cold. But it takes more than a braw wind to keep a Glengarian from a political card was next. Hugh John arose, amid

sir Charles must have been flattered by the enthusiastic greetings thrown to him from gather your wits together; but you take him for just what he is, an honestly sincere and sympathetic nature, and your criticism is disarmed.

tor McMillan, Alexandria; D. R. McDonald, M.L.A., and the guests of the association. The rafters and walls of the building were strung with mottoes and flags. "Our Chieftain," "Success to Hugh John and Whithney," "Down with the party of broken promises," were some of the favored sentiments. In the audience were noticed among others: R. A. Pringle and W. Gibbens of Cornwall; George Kerr, Farran's Foint; J. Lockie Wilson, O. B. Ostrom, J. Tombs D. R. Chisholm, James McCormick,

Mill Beat Sifton By 500.

He prophesied that at the next elections, which could not be far away, the Liberals would not win a seat west of Lake Superior, while he himself would be more than astonished if he did not beat Sifton by 500. When the poll was taken he expected to see the Glengarry Highlanders marked along the right way to the tune of "Wha'll be king but Charlie?"

Hugh John told several stories in an amiable manner, and completely captivated the entire audience.

Mr. Foster was never in better

speak, and he welcomed his guests to Alexthe town was theirs. His references, most indicating the pulse of the audience. Speaking of his own candidature he said of the people, and to win the riding. They all knew where to find him, and he hoped ed in him. [Cheers.] He pointed out it an honor to have the first meeting of Dr. Ryerson Relates Some of His the Ontario tour held in their midst. The cheers of the audience seconded the col-

Ottawa, Sept. 12.—The 35th annual congratulatory address to Sir Charles, who replied briefly, but with his vigorous invective not a jot abated. His voice trembled with suppressed emotion when he spoke of the late Sir John Macdonaid, whose death was mourned by both Conservatives and Liberals the land over. The name of Macdonaid was still revered as no other in Canada. He praised Colone! "Rorry," and the biushes came to that stalwart's cheek as ne comment to that stalwart's cheek as ne comment to the loval support of the mended him to the loyal support of the mended him to the loyal support of the mended in the formal business was large to the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose intended him to the loyal support of the carges made against the hose or is the steadily towards the beginning of negotias steadily towards the beginning of the Chinese Government is pushing forward steadily towards the beginning of the Chinese Government is pushing to pound mand to the chines of the reports that the women are subjected to unspeakable barbarities, being stripped to death.
