Owing to the great demand for the College Ulster and Motor Coats, we find our Boys' Stock of Single and Double-breasted Overcoats, with self and velvet collars, not selling as freely as they might, therefore we have placed them all in the **MARCHING LINE** and out they go with a special cut price attached to each coat that must interest you, if your boys will wear these styles.

The cloths are Tweeds, Meltons, Vicunas and Worsteds—sizes run from 24 up to 35. The reductions will average about 30 per cent. This gives you a splendid chance to buy your boys good coats at a **SUBSTANTIAL SAVING.**

### 730-BUILDINGS ERECTED IN YEAR ENDING OCT. 31

#### Building Bylaw to Be Revised and a Plumbing Inspector Will Probably Be Appointed.

HAMILTON, Nov. 3.—(Special.)—The fire and water committee this evening appointed a sub-committee to consider the revision of the building by-law, Building Inspector Anderson's recommendation that a plumbing inspector be appointed. It was stated that there was absolutely no check on the work of the plumbers and that Hamilton was the only place of any size that did not have a plumbing inspector. The building inspector made his annual report, that for the year ending Oct. 31, 730 buildings had been erected, at a value of \$1,547,425. It was agreed to give the people in the new annex a water supply just as soon as possible. A deficit of a little over \$300 was shown on the construction of the mountain waterworks system, which costs \$25,000. There was also an over-expenditure of \$1200 on the cleaning of the filtering basins, for which \$5000 had been appropriated. The resignation of Thomas Heath, who has been appointed chief of the Saskatoon fire department, was accepted, and Bernard Devlin was appointed to the department. The residents of Crown Point celebrated the fact that they had been taken into the city by a procession and fireworks display to-night.

### Everyone Thought She Was Going Into Consumption.

#### Gained Ten Pounds in Two Weeks by the Use of Burdock Blood Bitters.

Mr. Fred Biggs, Kingston, Ont., writes:—"I was completely run down, my blood was out of order, and I used to get so weak I would be compelled to stay in bed for weeks at a time. I could not eat, was pale and thin; every one thought I was going into consumption. I tried everything and different doctors until a friend advised me to use Burdock Blood Bitters. I did not have one bottle used when my appetite began to improve. I used six bottles. I gained ten pounds in two weeks. When I began to take it I only weighed ninety-three pounds. It just seemed to pull me from the grave. I never expected to be so strong again. I will tell every sufferer of your wonderful medicine."

"The blood reaches every portion of the body to distribute nutrient and remove waste matter and waste products. Clearly then, any influence, good or bad, affecting the blood, must necessarily affect the entire system for good or evil as the case may be."

Get pure blood and keep it pure by removing every trace of impure morbid matter from the system by using Burdock Blood Bitters. It cures a curative influence unapproached by any other remedy.

For sale by all dealers. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

### AFTERMATH OF ELECTION IN UNITED STATES CITIES

#### "Tammany" Credited With Bad Defeat—Frisco Reformers Lose Local Option Votes.

NEW YORK, Nov. 3.—With the exception of mayor, the fusion sweep was complete in yesterday's election. Not another Tammany candidate on city or county ticket won. Complete returns show: Gaynor 256,678, Bannard 177,662, Hearst 153,845. Gaynor's plurality, 73,016. Hearst got 87 more votes than Bannard in the Borough of Manhattan and the Bronx.

Hearst in a statement says: "If an anti-Tammany board estimate has been elected, I consider my efforts well rewarded. I went into the campaign to accomplish exactly that. I hope that Judge Gaynor will make a satisfactory mayor, and I am sure of one thing at least, that he will make a better mayor surrounded by an honest and independent board of estimate than he could have made surrounded by the Tammany gang, from which we have the good fortune to be delivered."

Charles Murphy, leader of Tammany Hall, asked whether he intended to resign his post, gave a blank term. He knew of no sentiment in the Tammany organization that called for his retirement.

**Palace's Bad Break.**  
SAN FRANCISCO, Nov. 3.—After three years of reform government, which followed the bribery graft disclosures in the Ross and Schmitt union labor administration in 1906-07, San Francisco has again chosen a union labor administration by electing P. H. McCarthy mayor and Charles M. Fickert district attorney. Opposed to Fickert was Francis J. Heney, who for three years has conducted the bribery graft exposé, and who was elected district attorney. Continuation of the graft prosecutions was the dominant issue. Heney promised if elected to carry it on with unabated vigor.

Opposition to McCarthy rallied round his own statement that he would make San Francisco the "Paris of America."

**Why Johnson Went Down.**  
CLEVELAND, O., Nov. 3.—Tom L. Johnson was one-time foe of the city fifth majority campaign by 3733 votes by Herman C. Bauer (Republican), along with the entire city ticket except A. D. Baker, city solicitor. Weariness of the public over the long delays in getting a definite and satisfactory traction settlement defeated Johnson.

**Boston's New Method.**  
BOSTON, Nov. 3.—A radical change in political methods in Boston will go into effect to-day, when the city will elect its mayor and city council by direct vote of the people. The new method was adopted yesterday by votes of a majority of the city council. Political parties, so far as city affairs are concerned, will be eliminated. The mayor is to be elected by a vote of five thousand voters, elected for a term of four years, with a chance, should he be re-elected, of being re-elected at the end of two years. There will be a city council of nine members.

**Saratoga Goes Dry.**  
SARATOGA, N. Y., Nov. 3.—Saratoga county has voted to prohibit the sale of New York State, voted no license yesterday on the local option issue, and for the next year at least will be a "dry" county.

The Towns of Aurora, Eden, Holland and Wales, in Erie County, voted for no license. Collins voted that no liquor be sold except at drug stores on a physician's prescription.

**A Hot Time.**  
JACKSON, Ky., Nov. 3.—Altho a dynamite bomb was exploded in last night's wild election celebration, only walls and plaster were damaged.

**Candidate Drops Dead.**  
KINGSTON, N. Y., Nov. 3.—After making a victory campaign for supervisor of Plattekill Township, John J. Hall, 80 years old (Democrat), died of heart failure at his home at three o'clock last night. His opponent was elected.

**Kentucky Democratic Again.**  
LOUISVILLE, Nov. 3.—The Democratic party is in possession of nearly all its ancient heritage in Kentucky. The next legislature will be Democratic by over two-thirds majority and able to pass any measure over the Republican governor's veto. Louisville is restored to the fold by the election of W. O. Dawson, with two exceptions, all the important municipalities in the state have followed suit.

Cincinnati, Ohio, elected Schwab (Republican) mayor by 6000 majority, with 22 Republican councilmen and 7 Democrats.

**Journalistic Jealousies.**  
NEW YORK, Nov. 3.—One feature of the election campaign just ended has been the marked exhibition of jealousy and hatred manifested toward William Randolph Hearst, proprietor of the very leading American newspapers, absolutely ignored Hearst's presence in the campaign. His name was never printed in giving the returns this morning. Hearst's vote was recorded in a column headed as "Independent."

### Where is Burton Rapley?

#### No Trace of Young Traveler Who Suddenly Disappeared.

BROCKVILLE, Nov. 3.—(Special.)—A Thiel detective from Montreal is here trying to solve the mystery surrounding the disappearance of Burton Rapley, the Montreal commercial traveler who has not been heard of since Oct. 19, when he left the Campbell House, Napanee. The sleuths followed a trace of Rapley in Brockville on Thursday, Oct. 14, when he came here from Smith's Falls. There was nothing in his demeanor to indicate anything wrong.

The detective says Rapley was straight in his accounts and that he had a deposit of \$7000 in a Montreal bank. A reward of \$500 is offered for information.
