

FRIDAY MORNING

## PUBLIC MEN HONOR GREAT REFORMER

Prohibitionists' Convention Pays Splendid Tributes to Late F. S. Spence.

Seldom has Massey Hall been the scene of a more inspiring and impressive sight than it was last night when the historic old building resounded with the music and noble tributes to the memory of the late F. S. Spence. The gathering, which was almost of capacity dimensions, was representative of every phase of political, religious and public opinion in Toronto and throughout the province and the high esteem in which the late temperance leader was held by the citizens was evidenced in the remarks of the numerous speakers. He was spoken of as a man of great vision, keen mind and strong conviction and a pioneer of reform.

The principal speakers were Hon. W. D. McPherson, who represented Premier Borden, and the Ontario cabinet; N. W. Rowell, Liberal leader; Mayor Church, Wm. McDonald, M.L.A., and Irwin Ward, M.L.A.

"I join with you all in behalf of Premier Borden and the Ontario cabinet, and I know for all the people through the province in paying tribute to one of the bravest and noblest spirits in the community," said Hon. Mr. McPherson. "I was associated with Mr. Spence for many years in public endeavor and I can say that no keener or more analytical mind existed in our public life. He believed in the confidence of the citizens for many years and served them well. It was felt that no city council was complete without him. When a member of that body he brought to bear a keen analysis which showed at once the value of a project or its weakness."

Mr. Rowell declared that Mr. Spence was conspicuous among men because of his broad vision, strong convictions and outstanding courage. "Before the people believed in the possibilities of Niagara power, Mr. Spence had the vision of transmitting it through the province. The transcendent vision of Mr. Spence was that he saw the province and the nation made happy and never known happiness, and a chance given the children for a career. He was not failing in our duty if we did not recognize the ability of those men who had the vision, the conviction and the courage lived up to that vision; stood by that conviction until the victory was achieved."

Mayor Church conveyed the regrets of his colleagues and citizens and added his tribute. Mr. McDonald said that, while the workman was dead, the work must go on, and that it behooved those left behind to work all the harder because he has gone. Mr. Hilliard said that when Mr. Spence looked down with the anti-prohibitionists he was a foe of a man worthy of his powerful, forceful and effective. Other speakers were Rev. L. Minahan, Joseph Gibson, J. W. Brough, Secretary Robert of the Dominion Alliance, Mrs. A. O. Rutherford and Convention President Steele.

Ruthven McDonald, Willie Bennett and the Imperial Orchestra rendered a splendid program of sacred music.

A resolution expressing sympathy with the late Mr. Spence's family from the prohibition convention was passed in silence, with the audience standing. It contained the deep regret of the temperance workers and declared that Mr. Spence had been largely instrumental in building up the alliance from the beginning, until it had become the dominating power for good in the province. It urged the delegates to the convention to be held at the Dominion Alliance hall, which he had blazed until now was finally banished from the Dominion.

**MANY TRIBUTES PAID TO LATE F. S. SPENCE**  
Remains Will Be Given Public Funeral and City Council Will Attend.

Tributes to the worth and work of the late F. S. Spence came from men of all creeds and classes yesterday, and on Saturday afternoon the funeral to Mount Pleasant Cemetery, which will be a public affair, will be attended by the members of the city council. The funeral service will be conducted in the Broadway Tabernacle. His colleagues of past years in municipal work, expressed their keen sense of loss at his passing, and while the city hall flag flew at half-mast, and the board of control adjourned in respect to his memory.

The Dominion Alliance decided to dedicate a memorial to what form it will take is not known yet. The great work of the alliance was precisely stated by him, and Joseph Gibson pointed out, at the afternoon session of the convention in Massey Hall, that the ex-controller had fought the earliest battles in the temperance cause, and his memory would live forever.

**EXPRESS THEIR SYMPATHY.**  
Special to The Toronto World.

Kitchener, March 8.—At a general meeting of the board of trade here tonight, a resolution of condolence was passed and ordered transmitted to the family of the late F. S. Spence. A floral tribute was ordered to be sent to Toronto, and W. B. Dettler was commissioned to attend the funeral Saturday.

The French recovered yesterday the greater part of the ground between the Butte de Mesnil and Maisons de Champagne, seized by the Germans on Feb. 5. Grasping an opportune moment they deluged the position, which forms a salient, with heavy high explosive shells, and their infantry swept over the ground, taking 100 prisoners, including two officers. This event furnishes only another example of the enemy's inability to hold any position captured in the west for long.

The commission of enquiry into the Dardanelles campaign published its conclusions yesterday. It blames Winston Churchill, Lord Kitchener, Lord Fisher and ex-Premier Asquith for the failure, the not in equal measure. Churchill initiated the scheme, Kitchener approved a naval attack alone without infantry support, Lord Fisher foresaw failure, but never objected before the war council, while Premier Asquith allowed the attack to proceed without adequate counsel with experts. Earl Kitchener is virtually abolishing the general staff. It is only just to say that his death prevented the commission from hearing his evidence or the evidence of his military secretary, and it is the custom of many persons when cornered to blame the dead. The commission finds that he should have proposed the enterprise. The commission finds that he should have protested openly before the war council or else he should have resigned the first sea lordship. He should not have allowed inexperienced laymen like Winston Churchill to begin a hazardous and gambling undertaking.

## CHARTER IS RECEIVED BY NEW KIWANIS CLUB

Conviviality and good-fellowship, punctuated by addresses containing expressions of good-will, by songs and dances, were the order of the night at the banquet of the newly-organized Kiwanis Club of Toronto in the Carleton Hotel last night. Approximately three hundred persons, including members and their wives, were present. It was the occasion of the presentation of the charter to the Toronto branch by National President G. F. Hinson of Rochester. He spoke of the rapid growth of the club, which started in Detroit in 1915, and declared its purpose to be the introduction of the "golden rule" in business. He said its motto was "Boost the other fellow, play square and have a clean, honest business."

Other speakers were Frank A. Guilford, treasurer of the Toronto Club, who presided; Secretary Talbot R. Crayston; International Organizer A. S. Brown of Buffalo and Toronto; and Sidney S. Peixoto of the Columbia Park Boys' Club, San Francisco. Besides these addresses were numerous toasts and responses. An extensive program of character songs was given by the Buffalo and Toronto clubs, and the entertainment, including a band, was furnished by the club's orchestra.

## FIRE MAY BE INCENDIARY

Over \$200 damage was done to the house and contents of 43 Poultice street, just after midnight last night, by a fire believed to be due to incendiary. When the firemen arrived there was a strong odor of coal oil. The house was occupied by a man named Barrigo, who at present is away in Boston.

## SEEKS ALLIED LOAN IN UNITED STATES

Federal Reserve Board Says Previous Warning Was Misunderstood

Washington, March 8.—In a statement tonight reiterating that its warning to American banks not to invest too heavily in foreign securities had been misunderstood, the federal reserve board said it regarded the placing of foreign loans as a natural and proper means of settling trade balances, and gave notice that the country's gold reserves now "has been materially strengthened and supplies a broad basis for additional credit."

When the warning was issued last November the board explained that it was directed against the tying up indefinitely in foreign treasury bills of capital which should be available to meet domestic demands. It immediately resulted was the withdrawal from sale in this country of many million dollars' worth of British securities by J. P. Morgan & Co., and no little unfavorable criticism in the allied countries.

Concluding a lengthy statement of its attitude toward foreign investments, the federal reserve board says: "The board desires to make clear that in its previous statement it did not seek to create an unfavorable attitude on the part of American investors toward desirable foreign securities, and to emphasize the point that American funds for investment may with advantage to the country's foreign trade and the domestic economic situation, be employed in the purchase of such securities."

## AMERICAN MARINES LAND IN SANTIAGO

Santiago, Cuba, March 8.—Four hundred men from American warships have landed and taken charge in Santiago. The cane fields and the Union Sugar Mill at San Luis, 10 miles north of Santiago, are burning. The people of San Luis are greatly alarmed and have built barricades in the streets, expecting an attack from the rebels.

Heavy fighting is reported in the vicinity of Palma Soriano, where Americans are leaving the city to join the constitutional army.
