## Mothers!

That precious little morsel of humanity for which you paid the price of motherhood; that jewel of your heart dearer to you than life itself; that joy, that climax of your whole existence. Your baby, your own baby.

We know you realize as only a mother can, the grave responsibility that is yours. We know there is no care you will not take, no sacrifice you will not gladly make to fan that little flame of life into a glowing blaze of health and vigor. But do you know, do you realize that the Demon Dust and Dirt are trying to take that little life away from you?

Those chubby little hands that pound upon the carpet floor breathe the Demon of Dust.

Isn't any cleaning device that does not raise the dust worth its weight in gold to you?

The Electric Sweeper—Vac makes no dust.

It gets ALL the dirt.

For if you wish sanitary conditions, call at our show-room, and we will explain to you how to buy a Vacuum Cleaner on easy payments.

Twenty or thirty men engaged at Fernhill cemetery preparing lots, beautifying the grounds, and preparing the lots for burial have gone on strike and have asked that their wages be increased from \$2.50 to \$3 per day. The high cost of living is the reason.

A First Aid class was held recently at the Y.M.C.A., under the tuition of Quartermaster-Sergeant Gibson. Although only three boys came forward for the examination a large number will undoubtedly profit from the instructions. Aubrey McAndrew, E. C. Boyaner and Walter C. Sterling will receive certificates of proficiency.

SOLUTION FOR THE SUBMARINE PROBLEM?  
W. L. Saunders, chairman of the naval consulting board, announced that New York yesterday that the board had forwarded to Washington plans for dealing with the submarine problem. It was believed, had solved the problem successfully. Mr. Saunders added that 500 inventions for U-boat suppression had been submitted for consideration of the board, and experiments with many of them justified.

AT ROCKWOOD PARK.  
The attractions at Rockwood Park are already in full swing and all that is now needed is warmer weather to make this popular resort more than ever in favor. Despite the chilly atmosphere of yesterday thousands of people wended their way to the park and it might be said that the first day of the season's activities at the park was inaugurated. The boat house had been put in readiness for the season and many enjoyed the afternoon boating on the lake, while the refreshment counter in this section of the park was well patronized. Charles Merrill is running this section of the year. Joseph Thibault, a returned soldier, who had been doing gardening work in the park, has succeeded the late Captain Peatman in the refreshment booth situated near the animal enclosure. Mr. Thibault was a member of the first Canadian contingent, and while with the 12th Battalion was wounded at Ypres and invited home. Spring cleaning work in the park is being carried on and men have been busy clearing the dead leaves from the many walks and, generally, getting things in order for the summer.

### BOYS ON OUTING.

Eighteen members of the boys' division of the Y. M. C. A., accompanied by Arthur Gregg, secretary for boys; H. O. Bonk, athletic director, and Arthur Willett, group leader, took the second hike of the season to Saint's Rest Saturday. It was one of those all day outings, started not long after sunup and extending until almost the twilight hours. The distance throw event of the Canadian standard efficiency test programme was the chief attraction for the outing in the way of athletic achievements, although a baseball contest followed. In the distance throw Markham took first place with 192 feet, J. Jacobson second with 150 feet and R. Harvitz third with 141 feet. The "Nerve-groups," captained by Markham, won the "Dirty Shirts," led by Williams, battled for diamond honors for nine long innings, with honors going to the former by the score of 16 to 18.

### RICH PITTSBURGER PAYS TRIBUTE TO SUNDAY SCHOOL

Boston, May 7.—H. J. Heinz, Pittsburgh manufacturer and chairman of the executive committee of the world's Sunday School Association, told 400 Sunday school workers at a dinner that the Sunday school has paid him a bigger dividend than any other investment he had ever made. He characterized it as "the greatest living force for character building and good citizenship." Mr. Heinz expressed the opinion that the war would bring an unprecedented opportunity for the development of world-wide brotherhood.

## NUXATED IRON

The Power Behind the Strong Arm of Today

Dr. Ferdinand King, a New York City Physician and Medical Author, says: "There can be no strong, vigorous, iron men, nor beautiful, healthy, rosy-cheeked women without iron—Nuxated Iron taken three times per day after meals will increase the strength and endurance of weak, nervous, run-down folks 100 per cent. in two weeks' time in many instances. Avoid the old forms of metallic iron which may injure the teeth, corrode the stomach, and thereby do more harm than good. Take only organic iron—Nuxated Iron." It is dispensed in this city by Wasson's Drug Store and all good druggists.
