# Maritime Provinces Amateur Skating Association Formed

## New Body Will Have Jurisdiction Over Speed and Figure Skating in Eastern Canada—Honorary President, J. A. Gregory; President, Frank White.

An important event in the history of speed skating in the maritime provinces occurred on Saturday afternoon, when the Maritime Provinces Amateur Skating Association was duly constituted at a meeting in the Commercial Club rooms with representatives present from the Y. M. C. A., Y. M. C. L., St. George's, A. A. A., Commercial Club, Moncton A. A. and St. John Rowing Club. Assurances were read to the meeting from the Halifax Wanderers, Dartmouth and Moncton that they were ready to support any action taken at the meeting. The new organization will control speed and figure skating in this part of Canada. Great strides have been made in the last few years in the development of this sport in the Atlantic provinces and the need of a controlling organization has been felt.

The new body will seek affiliation with the Canadian Amateur Skating Association and, later on, with the international body. It is not a branch of the Canadian governing body.

Alfredman Louis Rubenstein, of Montreal, a member of the executive of the Canada A. S. A., was present at the meeting and assisted materially in giving the latest body a right start. He warned those present to proceed carefully and to select the best men to head the body and to draw up a set of laws. Above all, he warned them of the danger of not dealing summarily with any infringements of these laws, once adopted. "Play no favorites" was his advice. He told of the methods used by the upper Canadian body and, at the conclusion, he was extended a hearty vote of thanks for the time and interest and sound advice he had given. Frank White was elected president of the new body. Those present were: Representing the Y. M. C. A., J. H. Coburn and T. K. Sweeney; Y. M. C. L., W. Bowie and G. Smith; St. John R. C., E. Ingraham and S. McCreary; St. George's A. A., P. J. Legge; Moncton, A. E. McNutt; Commercial Club, A. W. Corey, as well as A. B. Rubenstein and H. Richard, who has had considerable experience with sport matters in Ontario. Two names were first suggested for the association, one, the Eastern Amateur Skating Association and second, the Maritime Skating Association. The title finally adopted was the Maritime Provinces A. S. A. The officers elected were: Honorary president, J. A. Gregory, St.

# McTIGUE WINS

(Canadian Press Despatch.)  
New York, May 14.—Mike McTigue stepped nearer to Johnny Wilson's habit when he received the decision over Tommy Robson, Saturday evening, in Long Island City. McTigue has been challenging Wilson with great regularity and perseverance, but has never had any sort of response from the champion. McTigue's adherents announced today that they are ready to guarantee Wilson \$50,000 if he will give the Canadian champion a chance.

# BOWDWIN VICTOR

Waterville, Me., May 14.—Bowdwin won the twenty-sixth annual Maine intercollegiate track and field meet yesterday with 55½ points. Bates, with 92 points, was second. Maine scored 28½ and Colby 9.

The Tigers Climbing.

New York, May 15.—Cobb's rampaging Detroit Tigers have had enough trailing in the American League procession. They are in the first division today for the first time this season, as a result of taking their second straight game from the leading New York Yankees, and making it six victories out of their last eight games. The "Georgia Peach" himself a prominent part in the triumph, slugging out a double and triple.

The Giants beat the Cubs in a ten inning game and, as St. Louis was stopped by Meadows and his hard hitting Philadelphia team, the McGraw men are enjoying a four game lead.

High's homer enabled Brooklyn to win from Cincinnati, and break its losing streak of six games.

Cleveland's rallies in the eighth and ninth failed to overcome the Senators' early lead and the Washington team squeezed out a 4 to 3 victory.

Ball Player Is Killed.

Edwardsville, Ill., May 15.—Joseph Bayer, a semi-professional ball player, who had signed a contract with Toledo, Ohio, team, was killed when he came in contact with a charged wire. Bayer was a line man. He was to have departed last night for Toledo. He was twenty-nine years old.

TENNIS.

Tilden Defeated.

Berkeley, Calif., May 15.—Wm. M. Johnston of San Francisco, second ranked player in the U. S., defeated Max Tilden of Philadelphia, world champion, in the finals of the Pacific coast singles tennis championship yesterday, 7 to 5, 7 to 9, 6 to 1 and 9 to 0.

GOLF.

Barnes After Title.

New York, May 15.—Jim Barnes, national golf champion, has announced that he will again seek the British open title in the championship to be held this year at Sandwich on June 22 and 23. The Philam, Mass., professional's decision to make the trip came on the heels of cable advice from London to the effect that Jack Hutchinson, winner of last year's event, had informed English authorities he would be unable to defend his title.

New York, May 15.—(Canadian Press).—Gunner Arnold, heavyweight champion pugilist of the Canadian navy, will make his first New York appearance in Madison Square Garden on Tuesday night against Yussel Perelman.

DIVORCES "GOLF MANIAC."

Mrs. Lee Gets Decree in Detroit After Telling Court His Preference for Game.

Detroit, May 15.—Mrs. Helen Bourne Joy Lee, daughter of Henry B. Joy, was granted a divorce today from Howard B. Lee by Judge Monaghan. Mrs. Lee says her husband was a "golf maniac."

Lee withdrew his cross bill before the case came to trial and did not contest his wife's petition. She got the custody of their three children. She did not ask for alimony. The attorneys for the two parties agreed on a settlement. Lee will be allowed to see his children without interference between 3 and 5:30 p. m. on the first and last Saturdays and the second Sunday of every month, unless these arrangements are found to interfere with the necessary habits of the children, such as eating and sleeping.

Mrs. Joy said her father made arrangements to have her go to a Brooklyn hospital when Helen was born, and that on the Saturday preceding the birth of the child Mr. Lee went to play golf. Helen was born Tuesday.

On Sunday, preceding Helen's birth, Howard came to the hospital to see me, she said. "It was too hot for golf," she said. "He was there, she said, he borrowed \$500. She did the housework and paid all the bills, she said."

A motorboat, belonging to Milford McAllister, Lorneville, was burned on the beach at Lorneville early last evening. It was valued at \$125. The blaze is thought to have started from a crossed wire of the battery.

## MONDAY, AND TUESDAY

Lois Weber's great motion picture, "The Blot"—the great drama of the nation's millions—has set everyone debating this question, "What is this blot?"

Is it drugs?  
Is it money shortage?  
Is it business depression?  
Is it taxation?  
Is it mental anger?  
Is it wise, woman and song?  
Is it extravagance?  
Is it waste?  
Is it high prices?  
Is it indifference?  
Is it unrest?  
Is it shortage of materials?

"The Blot" will answer this question in the most suggestive way on our American life of today?"

Lois Weber, noted for her handling of timely incidents, has interwoven this question in her great photo-drama. She has played it up with keen human interest that affords a real heart-throb in each reel.

## VICTORIAN ORDER OF NURSES.

(Montreal Gazette, Friday.)  
Tomorrow will be the twenty-fifth anniversary of the foundation of the Victorian Order of Nurses in Canada. A preliminary meeting for the purpose of organizing a fund for the commemoration of the Diamond Jubilee of Queen Victoria, by establishing the Victorian Order of Nurses, was held in Montreal on May 12, 1922, and from that meeting has grown the Order which today is so well known and which has to its credit so splendid a record of service. The story of the Order, of its foundation, its growth, and the work that is done, is told more fully elsewhere in this issue. It is a story which entitles the Victorian Order of Nurses to a very large measure of public appreciation and support. Great as is the work now being done by the organization in Montreal, it is limited by the resources upon which the Order is able to depend in proportion to the insufficiency of those resources the scope of the nursing service is narrowed and the sick cannot be given the care and help which would otherwise be available. It is within the power of the public to place the service of the Order within the reach of all who need it.

That there is a large field for the activities of this organization is shown by the statistics of the growth of the Order, although the figures give but a meagre idea of the benefits conferred upon the sick and suffering. The Montreal branch began in 1898 with three nurses; it has now a roster of fifty and the visits cover all classes of work, medical, surgical and obstetrical, while the Order is doing its share in the bettering of the child, the aged and is devoting attention successfully to preventive care, public health instruction, and kindred subjects. Taking the Dominion as a whole the Victorian Order of Nurses has a total of approximately 325 nurses attached to sixty-six branches, and is affiliated with half a dozen hospitals. The service rendered by such an organization is of great social value and is deserving of practical encouragement upon a generous scale.
