Moncton, Feb. 17—(Special)—The death of Thomas A. Black occurred at the home of his son, Judson H. Black, here this morning after an illness of several weeks. The late Mr. Black was born at Amherst, October 6, 1885, and had reached the ripe age of eighty-four years. He was the eldest son of the late

W. Freeze, Black.

Two sons and one daughter survive. The sons are Judson H. Moncton, and Edgar G. Springhill. Mrs. Edw. McCullum, Hastings (N. S.), is the daughter. There are also twenty-four grandchildren and four great-grandchildren and one brother, Gais L. Black, of Amherst, surviving.

FOR ROYAL TROUSSEAU.

New York, Feb. 14—Silk for Princess Patricia's trousseau has been supplied by American manufacturers. The court dressmaker, Wallace Revelle, who for six weeks was in America, picking and choosing from the spring offerings of the principal houses from the Atlantic to the Pacific, sailed for London last Saturday on the Adriatic with many trunks containing soft and silvery weaves from which creations worthy of a princess will be fashioned at 15 Hanover square.

Having searched the Paris market and found it wanting on account of the war, Revelle came to America, and was agreeably surprised at the American achievements, particularly in the printed silks, which he found. Orders were left behind for special weaves for dressing gowns and chamber robes, which are mostly weaves, of course, and will not take long in the draping.

It is said that America now leads the world in the manufacture of all except hand loom silks, in which the honors still remain with the French peasants, as they have for generations.

OFFICERS WHO TOOK LOCAL COURSE UNITE

There is a movement on foot at present among those who took the officers' course at the local armories during the year 1916 to form a club for the social benefit of the members and for the periodical get-together of the comrades in arms who have since that time been separated by the vicissitudes of war and have been fortunate in returning safely to their respective homes again. The movement is already meeting with great success and the promoters are looking for a prompt reunion of all the men who passed through that class. It is pointed out that fully ninety-eight per cent of the officers who graduated from the class of 1916 given in the armory have seen active service and in some cases brilliant service overseas. The prime movers of the class club are Lieutenants Ronald Hastings, R. G. Connell, R. Dean, L. St. C. Ritchie, G. H. S. Hevenor, C. F. West, and many others. Among those who followed and qualified as officers during the class of '16 and have paid the supreme sacrifice in France are Lieutenant James W. Holly, of the 25th Battalion; Lieutenant Maurice Mulalley, 20th Battalion; Lieutenant A. Reid, of the Royal Canadian Regiment, and Lieutenant R. N. Gilmour of the R. F. C.

Substantial progress has already been made in the forming of the class club and the following list of officers have been selected: Lieutenant Ronald Hastings, chairman; Lieutenant R. G. Connell, secretary, both of St. John; Lieutenant C. Crawley, St. George; Lieutenant W. H. S. Allingham, Gagetown; Lieutenant Hevenor, Rothesay, who will constitute the executive.

POLICE COURT.

In the police court yesterday afternoon Miss Lena Arbo was fined \$200 for having liquor in her possession illegally. The case against Mrs. Howe, to whom she said she handed it, was dismissed. The case of Thomas W. Dickens, the chauffeur charged with speeding at the time Lieutenant Carr and Miss Irvine were so seriously injured, was postponed until later in the week.

Military Headquarters at Ottawa has received word that the transport Canada, with 1,885 Canadian troops on board, is on her way across the Atlantic and will probably reach Halifax February 25. There are fifty-four New Brunswick men on board, besides a large number from other districts.
