"JOE" McNamara, well and prominently known in athletic circles in Saint John for over a quarter of a century, has been selected for the responsible post of starter for the world's championship meet on Lily Lake on January 26, 27 and 28, according to an announcement this morning from headquarters of the Saint John Skating Association. Mr. McNamara at present is residing in Boston where he is an officer of the Municipal Court of Boston.

It was only after careful consideration of this imoprtant matter that Mr. McNamara finally was selected. His services as an official at some of the biggest track and other meets at Boston are considerably in demand and his ong experience along this line fits him or the responsibility of seeing that the katers are sent away on their dashes for the world's title fairly and squarely. He possesses a genial personality and the committee responsible for his election are confident he will fill the sill.

He was a Canadian—a New Brunswicker.

WHAT has this to do with a sport page, you ask? Nothing very much to tell the honest truth unless it be that the reading of this as the New Year dawns might give us a little encouragement.

And where can we find better encouragement than by noting the lives of great men? We don't have to go outside New Brunswick to find examples. Where in all history of Canada, can you find a nobler and more inspiring story than that of the son of a Presbyterian minister who rose to be Prime Minister?

THE WORLD of sport with its individual competition is full of

It is the story of the raw youngster who grits his teeth and kicks Old Lady Discouragement down the stairs. It's the story of the fellow who is half-way to his goal who gets a new grip on himself and with redoubled energy throws himself into the fight for the highest honors. It's the story of the Champion who tightens the loose strings, laughs at the pack at his heels and invites it to "follow him."

In plain English, it's the story of the guy who does not know how to give up. He's so chock full of the idea of getting at the top and

Col. MacLeod Says M. P. B. Card Is Not Necessary

weents whether the applicant has an M. P. B. card or not?

That is the question that is causing some dispute between Lieut. Col. Norman MacLeod, chairman of the Board of Control of the N. B. Skating Association, and local amateur officials and the matter has been referred to officials of the A. A. U. of C. and the Canadian Amateur Skating Association for decision.

the matter has been referred to officials of the A. A. U. of C. and the Canadian Amateur Skating Association for decision.

In the meantime, Col. MacLeod announced this morning that boys who intend to compete in amateur skating events throughout the province can apply for registration and if in order and there is no suspicion or reason to believe he is professional, the card will be granted." To produce an M. P. B. card with the application is not necessary" says Col. McLeod. All applications for registration will be made to tell mer ingraham and boys under 14 will not be charged any fee. Boys over that age will be charged 25 cents.

Speaking about the matter this morning, Col. MacLeod said:

"Our case is somewhat different from hockey as the N. B. Skating Association derives its authority from the Canadian Amateur Skating Union, whereas the Maritime Amateur Hockey, Association is a creature of the M. P. B. We are not an offshoot of the M. P. B. We are not an offshoot of the M. P. B. and that is where the difference exists. The C. A. S. A. is allied with the A. A. U. of Canada but we contend the former has sole jurisdiction over skating throughout Canada. We stand ready and willing at all times to co-operate with the M. P. B. in keeping the bars between amateurs and professionals but as a skating association, we have rights in this matter we intend to see protected. We are not an office of the Second SERIES TO

OPEN ON JAN. 4

The schedule for the second series of the Inter Association Bowling League has been arranged and will respon on Jan. 4th, Monday, in the Imperial alleys with the winners of the first series, the K. of P. quintette, rolling the Trojans, who finished second. This should be a good game as the Trojans annexed four points from the K. of P. in the first series and were the only team that were able to do this.

The teams and their captains:
No. 1.—G. W. V. A.—H. B. Roberts.
No. 2.—Civics—H. D. Needham.
No. 4.—K. of P.—B. P. Sheppard.
No. 5.—Y. M. H. A.—J. Gilbert.

keeping the bars between amateurs and professionals but as a skating association, we have rights in this matter we intend to see protected. We are not taking this move with any desire to cause confusion as confusion already has been caused through announcements that skaters must have an amateur card before he will register them. As it stands now we will issue our registration cards as we have been advised from headquarters."

W. E. Stirling, New Brunswick vice president of the M. P. B., is of the contrary opinion but is now in touch with Dr. Lamb, of Montreal, secretary of the Amateur Athletic Union of Canada.

It would appear that the point is an important one and one that should be settled now, one way or the other. The only way it can be settled properly is between head officers of both unions.

IN FIRST SERIES

The first series of the Y. M. H. A. House League has just been brought to a close and the completed statistics show that the Epps came out on top, closely followed by the Kays.

I. Jacobson with an average of 89 1-27, leads the bowlers.

The Globe took four points last night by default from the Jobbers.

Locals Rush Sussex Off Feet in Overtime Play

THE happiest man in Saint John and Sussex last night was Murray Jarvis. Murray has seen hockey teams come and go for the last few years now, and it has been the ambition of his life to see Saint John on the hockey map. After the trimming Saint John handed Sussex last night, Murray started digging in the dusty fyles, and after much work unearthed the fact that it was the first time in a good 20 years that Saint John has beaten Sussex on its home ice. "And just watch our boys against Moncton here tomorrow night," says Murray. From the looks of things, there is going to be quite a few doing the watching.

CAINT John hockey fandom got a real thrill this morning on reading the news of the local hockey team's decisive victory over the Sussex team on Sussex ice last night, 10 to 6. The score hardly represents the play as the count was tied by the youthful sary. During the overtime was neces-told and the Saint John boys swept over their opponents, notching four goals.

TEAM PLAY WON. According to local fans who attended the game, the work of Phil Hallisey on the defence was nothing short of wonderful and Kiley's work on the forward line showed a vast improvement over last season. Temple Lane and Boudreau both did some clever stick handling and broke up many rushes by good back checking. "Mike" Mc-Phee who made his debut as a goalie played as if he had had a life time
