MR. CALKIN UNLOADED

Tuesday evening last, when at their reg- of the city; and thus promote advance ular monthly meeting in the council chamber, they decided to have no more dealings with Mr. Geo. F. Calkin regarding the lighting by electricity of the city streets. It has been the general opinion among level headed men in the city tha Mr. Calkin was merely temporising with putting in new and expensive electrical plant and machinery, solely for the purpose of supplying arc lights to the city at a price nearly ten dollars per light lower than the tender of the Fredericton Gas and electric light company. There is lights in the city; and a company which would be so insane as to import the neces sary apparatus for that purpose alone, On the other hand, the council would Chronicle says editorially "that looking have saved a great deal of wasted time if "around amongst the English public men tender of the local company.
