for New York city, 145 districts missing, give Low 268, 318; Shepard, 238,-

NEW YORK, Nov. 5.-640 election districts out of 887 in the county only show the following results for district attorney: Jerome (fusion), 103,881; Unger (democrat), 101,862.

NEW YORK, Nov. 6, 1 a. m .- With the election of Seth Low as mayor, Chas. F. Fornes as president of the board of aldermen, and Edward M. Grout as comptroller, the fusionist triumph in Greater New York appears nearly complete. Many of the fusion leaders expressed pre-election fears that even though Low be elected mayor, he would find himself in an embarrassed position since, under the newly adopted city charter the presidents of the various boroughs are given greatly increased powers. The latest returns, however, indicate that the fusionists have elected Igoob. the fusionists have elected Jacob A. Cantor president of the borough of Manhattan, J. Edward Swanstrom president of the borough of Brooklyn, and Geo. Cromwell president of the borough of Richmond. The borough presidency in the Bronx appears to be in doubt. Jas. L. Wells, fusionist, and Louis F. Haffen, democrat, both claim it. The democrate are contracted. it. The democrats are certain of one borough president, Joseph Cassidy being elected in Queens, owing to a split between the republican and the citizens' union party.

For justices of the supreme court, Morgan J. O'Brien, Samuel Green-baum, John Proctor Clark and James A. Blanchard, the fusionist candidates, were all elected, defeating Robert A. were all elected, delecting and Chas. WanWyck, Chas. W. Dayton and Chas. H. Knox. Justice O'Brien was no asted upon both tickets. Mayor Van-Twyck ran heavily behind his associ-extes on the judicial and county ticket.

NEW YORK, Nov. 5.—Seth Low, ex-president of Columbia University and four years ago the Citizens Union candidate for the first mayor of Greater New York, was today elected the second mayor of Greater New among individuals, but none of a serious nature and out of the scores of a resigning anywhere from 30,000 to 40,000, arrests made—and most of these were Mefeating Edward M. Shepard of Ezrocklyn, the democratic nominee. Whe campaign was an exciting one, and the vote though somewhat less than the presidential election a year was the largest ever polled in a municipal contest in this country.

In addition to the canvass for mayor public interest largely centred in the that hour there was nothing to keep Travers Jerome for district attorney the democrats for justice of the su-preme court. Both the officers were oted for only in the territory contained in New York county. Returns received up to 11 p. m. indicate that Jerome had been elected by a comfortable plurality and that Mayor Van-Wyck had been defeated, running behind his ticket from 15,000 to 20,000. Returns also indicate the triumph of the rest of the Greater New York

fusion ticket besides Mr. Low. Returns received from the various sections of New York state show that republicans will retain control of the lower house of the state legisla-ture, the number of republican and democratic assemblymen not differing materially from the figures of preced-ing years. In the various municipal contests reported from up the state, the most interesting elections noted were those of Albany, Troy, Rochester, Syracuse and Buffalo. The city of Alnamy was carried by the republicans, ex-Senator David B. Hill taking no active part in the local canvass. The election in Troy was a lively one, but a number of arrests for illegal voting were made. Ex-U. S. Senator Murphy headed the fight for the headed the fight for the the democrats, while ex-Gov. NEW YORK, Nov. 5 .- Atbout eleven o'clock Mr. Low gave out a formal statement in which he said: splendid vindication of universal suffrage. From all parts of the city have

come the votes that have rebuked the Tammany orgie of the last four years. All the patronage of the city and lim tless money have not availed against the aroused indignation of the people, and it is safe to say that abse government and government for private gain will not be seen again in New York city for many a day. This is no man's triumph, but it is the people's victory. The agencies that have brought it about are many. Those who labored so long and so patiently to bring about the successful fusion of many elements, and those who have supported the fusion so loyally are all entitled to the greatest credit. For myself I ask for the generous and con-stant support of the community in the great task to which it has su

NEW YORK, Nov. 5.-After several veeks of the hottest campaign fighting ever witnessed in this city over a municipal election, the day when the ballots were cast passed with unwonted quiet, considering the high feeling arrests made- and most of these were n charges of a technical character but few prisoners were held by the

MASSACHUSETTS.

BOSTON, Nov. 5.—W. Murray Crane of Daiton, republican, was re-elected governor of Massachusetts for the third time today by a plurality of 70,40s over Josiah Quincy, the democratic candidate. The republicans also elected their entire state ticket and will have the usual heavy majority in the legislature of 1902. Returns from every city and town in the state, with the exception of Dartmouth, give Crane (R.) 185,000; Quincy (D.), 115,370. Dartmouth last year gave Crane (R.), 277, Paine (D.), 27, so that appreximating the vote of this town Crane's plurality is 70,40s.

The total vote of the state ran over 300,000, the largest vote ever cast in the state in an off year. The legislature of 1902 will stand 199 republicans, 79 democrats, and 2 social democrats on a joint vote of both hot ses. The democrats made a gain in the house but suffered a loss in the senate.

Much interest in the returns centred in the city, which went for Quincy by almost exactly 7,700, a little more than the republican estimate, and a little less than the democrats. The democrats also elected all their candidates for offices in Suffolk county by much larger margins than that given Mr. Quincy.

There were a number of spirited contests MASSACHUSETTS.

There were a number of spirited contests for the legislature, the principal one being on Cape Cod, where Wm. A. Nye, who ran us an independent, was cleeted over Walter D. Luscombe, by nearly a thousand majority.

There was also a warm contest for county commissioner in Norfolk county, which resulted in the election of Marshall P. Wright of Quincy, the democratic candidate, over Watts M. Bowker, republican.

The standing of the two branches of the egislature is as follows:

MARYLAND. BALTIMORE, Nov. 5.—Only one precinct in Baltimore city has been reported at 9.30 p. m. It gives a democratic majority of 41 and indicates that the city has been carried

NEW HERSEY NEWARK, N. OHIO OHIO.

CINCINNATI, O., Nov. 5.—144 precincts in Cincinnast give Nash (R.), for governor, 1,C73; Kolbourne (D.), 1,164.

CLEVELAND, Nov. 5.—Owing to an almost general scratching of tickets, the count is progressing very slowly. Ten legislative candidates and four state senators were elected in this county today. Up to 8 o'clock not a precinct in the city had been heard from. COLUMBUS, O., Nov. 5.-With the exc

COLUMBUS, O., Nov. 5.—With the exception of this county, where the result is attributed to the liquor league and Kilbourne's popularity, the republicans have made gains on the returns received up to 0.30, at which hour the republicans claimed a plurality in Ohio much greater than two years ago, when Nash's plurality, was 49,023. This will make the legislature surely republican in both branches. PENNSYLVANIA.

HAMPTON ORANGEMEN.

Elequent Tribute to the Late Hon. W. Clarke Wallace.

Guy Fawkes' Day Celebrated-Degrees Conferred- The Resolutions and Speeches.

HAMPTON, Kings Co., Nov. 6.-A nemorable meeting of Hampton L. O. L., No. 52, was held in regular course in the Orange hall last night, a large attendance of members being present with a number of visiting brethren, among whom were the Rev. W. W. Lodge and Howard Clark of King's Own lodge.

This was the first opportunity afforded the lodge since the lamented death of the supreme grand master and sovereign, the Hon. N. Clarke Wallace, of giving expression to the sense of the deep loss they, in common with the whole order, have sustained by his removal from the activities of life and official and public duty, and therefore, with fitting solemnities, the brethren, all standing silently, unanimously adopted the following carefully prepared and eloquently expressed tribute of appreciation and sorrow to

sived, That we, the officers and members of Hampton Loyal Orange Lodge, No. 52, at this our regular onthly meeting, desire to place ourselves on record with the whole fraternity of Orangemen in this and other lands as to the sincere, heartfelt sorrow we feel in the premature death of one of Canada's most dis

We, however, as Orangemen, feel nore keenly the loss of so great and good a man because of the honorable and exalted position he occupied in the brotherhood of our loyal association. Hon. N. Clarke Wallace was no ordinary man, and by virtue of his honest purpose and indefatigable dili-gence and pluck became identified with some of the most important phases of our national life. As an advocate and defender of the constitution of this dominion and of religious tolerance and broad-minded benevolence he had few peers, and was ever ready to stand, if necessary, alone for our civil and religious rights. Faithful to his own views of public

duty, he became stronger and braver as there daily dawned upon his vision the grandeur of those principles which ever enabled him to raise superior to the doctrine of mere party necessity. The places of trust which he so honor our noble order for so many years is the best proof of the high esteem in the best proof of the high estern which he was held by his brethren. And further resolved, That this Loyal Orange Lodge do now place on parted worth, and while we cherish he memory of so patriotic a man we pray that the future of this country may find for public life many such men as our late Supreme Grand such men as our late Supreme Grand Master and Sovereign, whose untimely death we so deeply deplore.
