Lady Florence Dixie, formerly the most noted sportswoman in England. and now repentantly devoting her tim against cruelty, says.

"I have seen the terror-stricken orb of the red deer, full of tears, glaring at me with mute reproach, as it sobbed its life away, and that same look have I seen in glorious-orbed guanaco of Patagonia, the timid gazelle, the graceful and beautiful koodoo, sprinkbok, etc., of South Africa, seemingly, as it were, reproaching me for thus lightly taking the life I could never bring back. So, too, I have witnessed the angry, defiant glare of the wild beast's fading sight, as death, fast-coming, deprived him of the power to wreak his vengeance on the human aggressor before. him. And I say this: The memory of those scenes brings no pleasure to my

mind. On the contrary, it haunts me with a huge reproach, and I wish I had never done those deeds of skill and cruelty. I will never again raise gun or rifle to destroy the glorious animal life of creation. Savagedom still dominates us in a great degree. A higher education and civilization will teach us to despise amusements which are purchased at the expense of suffering to

A FREE VERSION.

(New York Times.) Former Assistant Attorney General James M. Beck told the following story a vote of thanks to the speaker for the other day of "Matt" Carpenter, the famous Wisconsin senator. Carpenter was pleading a case before the supreme court. Before he got half through with his argument the judges had made up their minds that his case was without merit, and, moreover, that he was unprepared. When he finished his argument and counsel for the other side got James Grant as seconder of the moup to reply the judges whispered to each other, nodded, and then the chief jus-Sir James well sustained his reputice said:

"I don't think it will be necessary to hear from you, sir." Carpenter's opponent was very deaf;

THE ILLUSTRATED LONDON NEWS, on Espt. 26 1885, says: "If I were asked which single medicine I should prefer to take abroad with me, as likely to be most generally useful to the ex-clusion of all others, I should say CHLORO-DYNE. I never travel without it, and its general applicability to the relief of a large-number of single allments forms its best recommendation."
