### Where is Your Hair?

In your comb? Why so? Is not the head a much better place for it? Better keep what is left where it belongs! Ayer's Hair Vigor, new improved formula, quickly stops falling hair. There is not a particle of doubt about it. We speak very positively about this, for we know.

Does not change the color of the hair.  
Promotes with each bottle Show it to your doctor. Ask him what it, then do as he says.

**Ayer's**  
Indeed, the one great leading feature of our new Hair Vigor may well be said to be this—it stops falling hair. Then it goes one step further—it aids nature in restoring the hair and scalp to a healthy condition. Ask for "the new kind."
