Why Stay Fat?
You Can Reduce

The answer of most fat people is
that it is too hard, too troublesome and
too dangerous to force the weight
down. However, in Marmola Prescrip-
tion Tablets, all these difficulties are
overcome. They are absolutely harm-
less, entail no dieting or exercise, and
have the added advantage of cheap-
ness. A large case is sold by druggists
at 75c. Or if preferable, they can be
obtained by sending price direct to
the Marmola Co., 864 Woodward Ave.,
Detroit, Mich. Now that you know
this you have no excuse for being too
fat, but can reduce two, three or four
pounds a week without fear of bad af-
ter-effects.

STOMACH TROUBLES
ARE DUE TO ACIDITY

Tells Safe, Certain, Speedy Relief For
Acid Indigestion.

So-called stomach troubles, such as
indigestion, gas, sourness, stomach
ache and inability to retain food are
in probably nine cases out of ten, sim-
ply evidence that excessive secretion
of acid is taking place in the stomach
causing the formation of gas and acid
indigestion.

Gas distends the stomach and causes
that full, oppressive, burning feeling
sometimes known as heartburn, while
the acid irritates and inflames the
delicate lining of the stomach. The
trouble lies entirely in the excess de-
velopment or secretion of acid.

To stop prevent this souring of
the food contents of the stomach and
to neutralize the acid, and make it
bland and harmless, a teaspoonful of
bi-saturated magnesia, a good and effec-
tive corrector of acid stomach, should
be taken in a quarter of a glass of hot
or cold water after eating or whenever
gas, sourness or acidity is felt. This
sweetens the stomach and neutralizes
the acidity in a few moments and is a
perfectly harmless and inexpensive
remedy to use.

An anti-acid such as bi-saturated ma-
gnesia which can be obtained from any
druggist in either powder or tablet
form, enables the stomach to do its
work properly without the aid of arti-
ficial digestants. Magnesia comes in
several forms, so be certain to ask for
and take only Bi-saturated Magnesia,
which is especially prepared for the
above purpose.
