

REPORT
OF THE
COMMITTEE OF MANAGEMENT
FOR THE YEAR 1873.

The Committee of Management in retiring from Office have the honor to lay before the Members the 38th Annual Report of the proceedings of the Society.

The number of distressed persons to whom aid has been extended during the past twelve months is somewhat less than during the previous year, yet from the peculiar nature of several of the cases the amount expended has been slightly in excess. Ninety-two (92) persons, comprising 37 men, 16 women and 39 children, have been relieved, and the total amount expended in charity is \$627.10. Details of this expenditure will be found in the Report of the Sub-Committee of Charity.

The Treasurer's Report affords full information as to the financial affairs of the Society.
