

MANAGERS' REPORT.

1881.

Your Managers, in presenting this (the third) report for your approval, do so with satisfaction. The amount collected during the year has been large compared with the previous year.

In 1880, the total amount raised was \$700.22, while this year it amounts to \$905.00, an increase of \$205.68. Although we are a little behind in making both ends meet, still we offer no suggestions, as we consider that the members have responded handsomely during the year.

Hoping for a continuation of prosperity during the coming year, we trust that this statement will meet with your approval.

JOS. NORWICH.

Chairman.

A. G. GOWANLOCK,

Secretary.

TO THE MEMBERS & ADHERENTS OF THE PARKDALE
PRESBYTERIAN CHURCH.

BRETHREN.—We, the undersigned, have the pleasure to submit a classified list of Receipts and Expenditure of the Church for the year 1881, with an abstract statement of same.

The items have been examined and compared with the Treasurer's vouchers, and found correct. We also append a statement of Assets and Liabilities.

We would recommend that a different system of keeping the books be adopted, as the present mode, though quite correct in itself, is not characterized by the simplicity and clearness which it should, in order that the true financial standing of the Church could be ascertained readily.
