Minister of Mines Templeman Authorizes New Departure.

To Meet Demands for Information re Canada's Mineral Resources Special Report

Ottawa, May 18-In view of the numerous requests from this country and from abroad for information on the mining and metallurgical industries of Canada and the need of such a publicaion to bring the mining and metal-urgical industries of the dominion in such with the newly created departent of mines, the minister, Hon, W ection of authentic information for a report on the "Mining and Metalllurgical Industry of Canada." This report will cover the whole country and will give the following information:

Name of company; date of incorpora-tion and charter; authorized capital; value of shares: directors and officers; ead office; Canadian office; number of men employed; wages, transportation facilities: market and prices ; and the following additional information regarding the mining industry:

Mining land owned and controlled, province, township, concession, lot; the class and character of ore mined; avrage quality of ore, analysis method o ining; treatment of ore, if any; cost of mining, drilling, explosives, hoisting, ransportation, general expenses; tota per ton of ore raised, and for the

metallurgical industry: Location of plant; ore treated; qualy of product; method of treatment; escription of machinery and apparaus used; source of supply of raw ma erial: cost of production,

It is proposed to report only upon the roducing mines, mines under develop nent and established metallurgica plants. The present rapid progress in the development of these industries and the changing conditions regarding such ctors as labor market and prices will necessitate supplementary annual pub-lications to bring the information of the original report up to date until the suance of a complete new report.

It is hoped that those in charge of the mines and industries to be reported upon will furnish every facility to repesentatives of the department of mines for obtaining such full and accurate data as will render the report authoritative and useful.

Robert R. Hedley, formerly superin endent of the Hall Mines smelter, has een appointed by the minister of mines to obtain material in British Columbia Alberta, Saskatchewan and Manitoba report above referred to. Mr Hedley has just returned from a trip east and will at an early date set about the work entrusted to him. The ap intment of Mr. Hedley to undertake his work is an assurance that Hon. W empleman is determined to have the est and most authentic report obtain operators of metallurgical works to give Mr. Hedley every assistance in their power so that due justice may be done to the mining industry in this province.

#### PAY DAY AT THE MINES

PWARDS OF \$50,000 DISTRIBUTED AT COAL CREEK AND MICHEL

WESTMINSTER ASYLUM

Fernie, May 20-Saturday was payday at the mines of the Crow's Nest Pass Coal company and although the recent fect of materially reducing the amount paid out, nevertheless the sum of about. \$50,000 was put in circulation in Coal. Creek and Michel for April wages.

A most satisfactory tonnage is now being produced at both the colleries and coke shipments are rapidly approaching the figures they had reached prior to the recent cessation of work. Prospecting work is being pushed at Morrissey and should good seams of coking coa be discovered the ovens at that point will once more soon be in operation and assist in relieving the shortage of coke at the smelters in the Boundary country

The anouncement in the press of the intention of the coal company to issue new stock to the extent of \$500,000 is large sum of money in improvements and expansion of existing works means increased prosperity for the whole dis-

# OFFER IS REJECTED

Miners of Boundary District in Conference Over Wage Scale.

Offer of Limited Increase So Far made by Operators Rejected -Settlement on Mutually Satisfactory Basis Expected.

(Special to The Daily News) Phoenix, May 22.-Yesterday the members of Phoenix Miners' union held special meeting to consider a proporegarding an increase of wages from the managers of the several large copper mines in the Boundary. The vening before the managers met with committees from the Phoenix, Greenwood and Grand Forks unions, and sub mitted the proposals, which called for an increase of 25 cents per day to miners and muckers and about a score of classes, but did not specify an in crease for some other classes. The union decided not to accept the proposi-

At the committee meeting were present besides the committees from the three unions, A. B. W. Hodges, local manager, and O. B. Smith. Jr., mine superintendent of the Granby Consoli-Dominion Copper company; J. E. Mc-Allister, manager, and Frederic Keffer, Copper company, and R. H. Stewart, general superintendent for the Consolilated Mining and Smelting company of Canada: Charles Biesel, local superintendent at the Showshoe, for the same

Some weeks ago the members of cents per day all around, to take effect May 1st, and later the Greenwood union asked the same thing, to take effect June 1st. The Grand Forks union also asked for a raise. The managers made an offer later of 10 per cent advance to underground men under certain conditions, which was declined. The present offer has now been

These requests for a raise came about forced to close because of a lack of coke, occasioned, in turn, by the labor Consequently the smelters and the mines have been out of commission since then, about May 1st, or three weeks ago. Meantime, efforts were made to get together on a local wage scale, but which have thus far not been successful. Coke is now beginning to come into the smelters to some extent, though limited, and it is believed that a way out of the difficulty will yet be found by those interested, and that a ground for common agreement will be
