

Nearly 400,000 Organs Demonstrate Estey Superiority

A sixty years' record
of exceptional achievement
in the manufacture of nearly
400,000 Estey Organs
underlies that universal
verdict

**"No other organ
compares with
the Estey"**

Every musician is an Estey
enthusiast and even those
who have no musical training
need but one hearing
to convince them, so marked
is the difference between the
Estey and all other organs.

Estey Chapel Organs are designed and built under the
direction of experts who are specialists in this particular
branch of organ-building. Many so-called chapel organs differ
from parlor styles merely in the case design and the number
of reeds used, but Estey Chapel Organs are different right
through—in action—in bellows capacity—in the kind and size
of reed used—in fact the whole organ is the result of sixty
years' special study and experimenting.

There are many styles to suit all sizes of church interiors.
The prices of some favorites are:—\$64, \$72, \$92, \$104,
\$128, \$148, \$160, \$200, \$240, \$340 and \$420.

Catalogues and full information mailed free on request.
