DEAR READERS OF MONTHLY LETTER,—Since writing you last we see that the Lord has blessed us in many ways. Our sick ones of whom we spoke in last letter have been restored to health, except one little girl, twelve years of age, who has been troubled with a cough for nearly three months. To-day she went to the village with her parents to stay for a couple of weeks, to see if a change will do her any good. We are very anxious about her, for she is such a bright, cheerful child.

Our Christmas festivities passed very pleasantly and quietly; were much enjoyed, and we trust all were pro-
