HOT WATER HEATING.

RECENT TESTIMONIAL.

Messrs. The E. & C. Gurney Co., Winnipeg:
DEAR SIRS,—I have used your No. 25 Hot Water
Heater in my house last winter, and I am pleased to
say that I consider it a success. We have had three
months of very severe weather, the mercury hover-
ing around the thirties during most of that time.
The Heater combines simplicity with efficiency to
a large degree, and the arrangements were such that
the very best results are obtained from the fuel con-
sumed. I have no hesitation in recommending your
Heater as one well suited for this country.

Yours, etc.,
ARCH. McNEE.
