

messages for the public, and collect tolls for so doing ; and for the purposes of operating such telegraph and telephone lines the Company may enter into a contract with any other company, or may lease the Company's lines or any part thereof ; and may connect its lines with the lines of any telegraph or 5 telephone company.

Agreement
with telegraph
and telephone
companies.

2. The Company may enter into arrangements with any telegraph or telephone company for the exchange and transmission of messages, or for the working in whole or in part of the lines of the Company. 10

Rates to be
approved.

3. No rate or charges shall be demanded or taken from any person for the transmission of any message by telegraph or telephone, or for leasing or using the telegraphs or telephones of the Company, until such rates or charges have been approved of by the Governor in Council. 15

R.S.C., c. 132

4. *The Electric Telegraph Companies Act* shall apply to the telegraphic business of the Company.

Docks,
elevators, etc.

16. At any point where the terminus of the railway or any branch thereof reaches any navigable water, or where the railway, or any branch thereof, crosses any navigable water, the 20 Company may, for its necessary purposes, acquire and hold as its absolute property, piers, docks and water lots ; and upon the said water lots in and over the waters adjoining thereto may build and erect elevators, store-houses, engine-houses, sheds, docks, piers and other structures for its use and for the use of 25 vessels, and may collect wharfage and store charges for the use thereof ; and may erect, build and maintain all moles, piers, wharfs and docks necessary and proper for the protection of such works, and for the accommodation and convenience of vessels entering, leaving, lying, loading or unloading within 30 them, and may dredge, deepen and enlarge such works ; and in its discretion may sell, lease or convey the said piers, docks, water lots, elevators, store-houses, warehouses, engine-houses, sheds and other erections.

Powers of
Company.

17. The Company may, in connection with its railway and 35 for the purposes of its business,—

Motive power.

(a) acquire lands and erect, use and manage works and manufacture machinery and plant for the generation, transmission and distribution of electric power and energy and other motive power ; 40

Docks,
warehouses,
etc.

(b) acquire land for wharves, docks, elevators, warehouses and coal-bunkers in connection with the operations of the Company and erect buildings thereon, and collect wharfage and storage charges for the use thereof ;

Mining.

(c) along the line of its railway and contiguous thereto, 45 locate, acquire, work and dispose of mines, mineral lands, minerals, mining rights, timber and timber lands and the products thereof, and develop such mines, and crush, smelt, reduce, amalgamate and dispose of the ores and products of any mine ; 50

Patent rights.

(d) acquire exclusive rights in letters patent, franchises or patent rights for the purpose of the works and undertakings hereby authorized, and again dispose of such rights ;
