

Useful, pretty and smart are these improved knit coats

For driving or motoring—as for a hundred other outdoor enjoyments—you will be glad of your Pen-Angle Sweater Coat on windy days and chilly evenings. For, though they feel so fleecy to the touch and set so lightly on the body, they are warmth-giving indeed. Knit by the Pen-Angle process, from wools of the choicest; these useful garments possess a smartness and style not known to the usual knit coat. And they retain their shapely lines, because they are carefully shaped to fit snug to the figure. That shape stays in them because it is knit into them—the Pen-Angle way.
