il ille This column begins today as a regular feature of the Brunskan sports section. In it, I will attempt to air a number of my nions on the UNB sports picture as the year progresses — persome will agree, probably more will disagree with the views ressed here; but then, that is what makes life interesting.

Probably paramount in the minds of UNB fans was last weekend's exhibition tilt in football. Shearwater won the game 20 - 13 but actually the score meant very little. What was important was the fact that the Red Bombers stayed within seven points of the Navy - it was their first game while Navy had already played and defeated St. Marys.

Coach Nelson unveiled a new quaterback, namely Houston MacPherson. UNB had been bogged down for more

Miss Whitwill's credits are equally outstanding. She attended the Universities of Western Ontario and Illinois and while at Western was woman athlete of the year for four years and a member of the Canadian Pan-American Swim Team in 1959.

## Flyers Drop Bombers

Shearwater and sheer water combined to defeat the UNB Red Bombers 20 - 13 in a scheduled exhibition tilt played at College Field last Saturday afternoon. Playing on a rainsoaked field. both teams were prevented from showing their best and fumbles were frequ-

On the opening kickoff, Gord Cahill, Shearwater saftey man, fumbled the ball and an alert Gord Dudley picked up the loose pigskin and scampered 15 yards to paydirt. Tetrault's convert attempt was wide and Big Red led 6 - 0. Seapower was not to be overlooked however, and before the first quarter ended, the Flyers had marched from their own three yard line to score on a 65 yard pass-and-run play, Cormier connecting with Carrier. Parker, the big Navy halfback and the game's leading scorer, booted a 30-yard single and Navy led 7-6 at half-time.

The third quarterwas scoreless as the weather took charge. Webster and Dudley missed several key passes thrown their way as the rain-soaked ball slipped through their outstretched hands. Shearwater's air attack also faltered during this period and any gains were either via the ground or. to UNB's advantage through pen-

In the final quarter, defensive lapses occurred in the Bomber secondary and Cormier, the Navy quarterback, was able to connect with halfback C. Taylor on a 30-yard pass-and-run play into the Bomber end zone. Navy's Parker added their final major on a three-yard pluge through the middle of the Bomber defense. Both convert attempts

were wide.

UNB coach Don Nelson then made a player change, sending rookie QB Houston Mac-Pherson in to replace Paul Courtice. MacPherson's first pass was picked off by an alert Navy defender and the Flyers

three plays, the ever-alert Bomber defense had the ball back at midfield. MacPherson ran for 23, passed to Pete Harding for 27, and went over for the TD himself on a rollout from the 10. Tetrault converted.

On Shearwater's next series of plays, Parker boomed out a 45-yard single and the clock ran out with UNB in possession of the ball. Final score: Shea:water Navy 20 UNB Red Bombers 13.

The game's first star goes to Navy fullback Joel Fournier, the game's leading ground gainer. Although last year's AFC scoring champ failed to score, he picked up several key first downs with his bulllike running.

Gord Dudley gets the second star. His alert grab of a Navy fumble on the opening kickoff put UNB on the scoreboard before the game was a minute old.

The rookie gets the third star. Even though he only

played the last ten minutes of the game, Houston MacPherson, with his spirited running and passing, gave the team a lift and the fans something to cheer about. No doubt we'll see more of Houston in this Saturday's game against Acad-

Special mention must also be made of the outstanding effort put out by the Bomber defensive squad, led by Jim Malnerich, Gerry LeBlanc, Wayne Kirk and Russ Rad-

Next home game is this Saturday against Acadia Axemen. They should get the axe by three touchdowns; a Bomber victory is predicted.
