Hon. J. W. Hamilton,
St. Paul, Minn.

My dear Sir:

I had copies made of your communications,
same is in the hands of

C. E. Williams, Secty. British Empire Ass'n.
C. C. Meunse, Grand Secty. Sons of St. George.
Marquis Eaton, Secty. Same Fourth July etc.

I also brought the matter up to several other
societies, who all received it favorably.

If you could get a lot of copies cheaply printed
and start an endless chain would be a good plan. I will
do all I can to push the good work.

Sincerely yours,

J. S. Townsend.
