

10th. November 1926.

Dear Sir Robert Perks,

I am much obliged to you for your letter of the 1st. November; I have been unable so far to arrange for an hour to meet you. I shall, however, do my best to arrange an appointment, and a little later on I hope it will be possible to arrange for an interview. I am sure you will understand that the duties of the Conference are so strenuous that I have very little leisure.

Yours sincerely,

C 77421
