The EasternTrust Co.,
Halifax, N. S.

Dear Mr. Macgillivray:

I have your letter of 13th and am sorry that it had to await reply until my return from Western Canada.

It is a very great pleasure for me indeed to send a complimentary copy of my book, inscribed to the students of Dalhousie University. Same is going forward by concurrent mail. No money is necessary, and I return your blank cheque form duly cancelled.

It has been my hope for two years to get down to Nova Scotia, but as yet such a trip has been impossible. I still have in mind a trip this year, but cannot make definite arrangements yet. Was very glad to meet your daughter, Mrs. McKee, some months ago in Ottawa.

Am afraid I could not take time to write an article for the "Dalhousie Review". It is keeping me busy living up to my business obligations, and I have not taken to literature as yet.

Kindest regards,

Yours very truly,

AM/E.

Arthur Meighen.
