

supplied for that purpose, copies  
of which have already been sent  
you.

The survey lines must be  
astronomical, but the traverse of  
lakes or rivers bounding portion  
of the Reserve may be magnetic.

Six copies of surveyors instructions  
and six copies of surveyors forms and  
returns are forwarded herewith.

As Mr. McPherson has probably  
started for Berens River perhaps you  
can make arrangements without  
incurring much expense to send  
the forms after him.

I am,

Sir,

Your obedient servant

Almonst

Acting Deputy of the Supt. Genl.  
of Indian Affairs
