

A 22.

This assignment can, as you were verbally informed at this Department, have no force whatever, for the reason that the Department has not in any way recognized Mr. Snow's alleged interest in the said Location, and his Solicitor, Messrs Bradley and Snow of this City, were so advised by letter of the 25th July.

As regards your request that no Patent be granted for any portion of Location A 20, or Keltana Island until you have been given an opportunity of establishing the correctness of the statements contained in the declaration of Mr. Snow dated the 10th ultimo, the Department cannot accede to

2.
