

Should be informed whether
fire breaks have been made
to protect the hay from
prairie fires.

Page 21. Band No 124
Wh. station on. It should be
stated whether fire breaks have
been made to protect
the 60 tons of hay in the
reserve and what acreage
of each crop was sown.

Pages 22 and 23. Agency
put up for Band 130 -
Wh. station on, and Justice
Agency. Have fire breaks been
made to protect the hay in

Page 28 Four grain sheds
admitted, none received.

Explanations should be
supplied
