OTTAWA, Ontario, March 3rd, 1954.

5008-B18-12

Cessna T-50 Aircraft, CF-BRL

5008-B18-12

REGISTERED

District Controller of Air Services,
260 Richmond Street West,
Toronto, Ontario.

Attn: District Superintendent, Air Regulations.

1. Enclosed are Certificates of Registration No. 12708 and Airworthiness No. 1052 covering Cessna T-50 aircraft CF-BRL registered in the name of Mary Guthbertson, Toronto, Ontario.
2. We note that the certificate of airworthiness validity had lapsed between January 14th, 1950 and February 19th, 1954, and that the Weight and Balance Report is dated May 31st, 1949.
3. Your attention is drawn to Item 25 on the certificate of airworthiness which reads 3615 lbs., whereas the weight empty on the Weight and Balance Report forming part of the certificate reads 4028 lbs.
4. We are forwarding the original documents for your inspection and amendment prior to forwarding them to the registered owner.
5. Referring to your message ART92 all temporary authorities issued to previous owners and the original issue of the certificate of airworthiness have covered this aircraft for day flying only. If all of the requirements for night flying have been fulfilled to your satisfaction the formal certificate of airworthiness should be amended accordingly.
