There are 99 "Semi-ready" Stores in
Canada—and this Store stands well up
in the volume of sales. Watch us climb.

Cloth costs being about equal there is one sure way to dress
correctly—the "Semi-ready" way.

Tail Stout Type G.

Each man requires individual
treatment, and so our customers are
physically diagnosed with a tape line, and
the suits are then finished to their exact
measure in two hours.

Finished exactly as the requirements
of their form or figure dictate. Tried-on
in the Semi-ready stage when you can
judge the cloth suitability.

A \$20 Serge Suit, finished to your
measure in the physique type way, means
that the clothes hold the original shape
that we give them—and conform to the
wearer's shape as long as he cares to wear
them.

If you can't call, send for a copy of the
booklet "As Seen by Him," which
describes Suits at \$18, \$20 and up to \$30
