PETERBORO, ONT. DECEMBER 23, 1908

A CHAMPION YOUNGSTER WHICH BIDS FAIR TO WIN FURTHER HONORS

Excitement ran high at the Guelph Winter Fair when the champion Shorthorn steer of any age was judged. The prize went to Dunrobin Villager, owned by D. Gunn & Son, of Beaverton, Ont. This steer is a beautiful roan with even lines, a nice soft coat of hair of excellent quality, and is very firm and evenly fleshed. He was afterwards sold on his feet for ten cents a pound to a noted feeder who wants him for next year's International at Chicago. Mr. R. E. Gunn, the manager of the Dunrobin Stock Farm, who is standing in the illustration, is coming to the front as an exhibitor of Clydesdales and Shorthorns. Recently, as set forth in our issue of December 5, Mr. Gunn installed a herd of dairy cattle. He expects to make dairying the foremost branch of his farming operations.
