To Every Man
who is building or
remodelling his barn

THIS BT Barn Book shows you how to build your barn from start to finish, tells how to make the foundations, how to lay the cement floors and how to build the walls, how the cattle-stands can be made so they will not be cold, shows the best and most economical methods of laying out the floor space and putting in the stabling, shows right and wrong ways to remodel an old barn; shows how to ventilate barn and build cupolas for the roof. It tells how to frame the barn by a method that saves half the cost of the old way; shows how two men and a team can hoist the bents to position. You can build or remodel your barn yourself with this book to help, because every point is clearly illustrated by full-page photographs and blue print working plans.

This new 352-page book

This is the most elaborate and complete book on barn building ever published in Canada. It contains over 125 views of modern barns. Photographs of up-to-date barns were obtained in all parts of this country, and have been reproduced with full-page and double-page cuts, which show clearly every detail of construction. There are useful tables, showing the best measurements for Mangers, Cutters, Cattle-Stands, and Passages, costs of cement work, best sizes of doors and windows, amount of ventilation for different kinds of stock, capacities of silos, capacities of mows. There are also working plans for 14 different barns and exterior views of the completed barns. Best construction for Hog House is fully illustrated.

BT Galvanized Steel Stalls, Steel Horse Stable Fittings, Steel Cow Pens, Calf Pens, Steer Pens, Bull Pens, Manure and Feed and Hay Carriers, and Water Bowls are shown in actual use in many barns. Complete specifications for Stable Equipment which are useful in getting proper quotations from manufacturers.

This book is printed in colors and is bound with hard covers. It is not a mere catalogue. It is a work of reference, which you will prize and keep for years. It is considered authoritative on the subject of stable and barn construction. A copy of it should be in the hands of every man who is thinking of building or remodelling a stable, or who is going to put in the Sanitary Steel Stable Equipment.
