STRASSBURG, ASSINIBOIA, Last Mountain Valley

"THE GEM OF THE SASKATCHEWAN."

SITUATION. The Saskatchewan Valley has become famous throughout the continent for its fertile soil and bumper crops. In the southern part of this enormous tract of prolific land lies the beautiful Last Mountain Valley, comprising the Strassburg and Longlaketon Districts, which has been truthfully described as "The Garden of the Northwest." It lies between Last Mountain and Last Mountain Lake, about twenty-five miles north of the flourishing town of Lumsden, and in consequence of its favorable situation, escapes the early frosts which occasionally visit other parts of the Northwest.
