

GOSSIP

Mr. David Hill, Staffa, Perth Co., Ont., breeder of Clydesdales and Shorthorns, reports the following sales: Admiral Dewey, Clydesdale stallion, coming two years old, to Mr. R. Clark, near Stratford, Ont. Mr. Clark has made a good selection, securing an excellent young horse that will doubtless be heard from in the show-ring later on, as he is a show animal of high merit. The Shorthorns are coming through the winter nicely. The young bulls have done extra well, and are going to make good herd-headers. Mr. Thomas McKenzie, Mitchell, Ont., was fortunate in securing a grand dark red bull calf, 14 months old, by Prince of Banff (imp.), and out of Duchess Gwynne =40055=. Mr. James Turner, Hill's Green, Ont., purchased a bull calf, the same age and color, by the same sire, and out of Loretta =32387=. Mr. Wm. Oliver, Staffa, Ont., purchased two good yearling heifers, by Defiance =39908=, having for their dams, Glendower =40058= and Merton Lass =19471=. This is Mr. Oliver's first investment in pure-bred Shorthorns, and he has made a good choice in his selection as foundation stock. The young stallion we are offering for sale is doing excellently. He is going to make a right good one, and any person desiring the like should look him up in our advertisement in this issue.

The Queenston Heights herd of Scotch and Scotch-topped Shorthorns, owned by Mr. Hudson Usher, of Queenston, Ont., are thrifty looking, bring fed on ensilage and alfalfa hay, without grain, excepting in a few cases. Most of the young stock is by that thick, massive bull, Derby (imp.) =32059=. This bull was especially good through the heartgirth, and has left his calves strong in this particular, while not lacking in any other particular. Derby's place has been taken by Queenston Montalis =50431=, a Kinellar Bessie, of the same family as Lord Banff. His sire was Lord Montalis =39279=, by Collynie Archer (imp.) =28860=, by Scottish Archer. His dam is Bessie's Maid =47779=, by Royal Prince (imp.) 26062, grandam Beatrice 2nd, by Sittytown Stamp. Some of the other sires that figure in his pedigree are Gravesend, Northern Light, Banner Bearer, and Cumberland, all of Cruickshank, Marr and Duthie breeding. This young dark-roan stock bull has one of the best pedigrees that anyone could wish for, along with which he has a level, deep body, evenly covered with flesh, with an especially well-covered loin, a bull that should nick well with Derby's daughters.

Imp. Veronica, a five-year-old roan, has been doing excellent work for her owner. She is now nursing her fourth calf, is in good condition, as is also her calf, and we are informed she gets neither meal nor roots. She is by Brave Archer, by Scottish Archer, dam Verona 4th, by John Bright. This cow has a nice roan heifer calf at foot, by Derby. Her second last calf is a white bull about fifteen months old, by the same sire, and for anyone who is not prejudiced against a white bull, he should fill the bill. He is just in good, thrifty condition, and one would scarcely know where to commence to find fault with him. Indeed, if he were fitted, he would be a credit to any show-ring. He should also be a getter of roans when crossed upon a red herd. Several of the cows that are in the herd are richly bred, among them, Cherry 33325, a red, by Crimson Chief, whose dam was a World's Fair winner (1893), of the Crimson Flower family, by Indian Chief (imp.). Her dam is Lady Grace Hutton 20108, grandam Imp. British Statesman (12847). A bull sister to Dorothea, the great winner throughout the U. S., is loaded well with natural flesh, is a heavy milker and good breeder. Isabella 12th, a ten-year-old cow, represents the Isabella strain. Northern Blonde, three years old, bred by the Hon. John Dryden, has not grown large, but is producing good stock. She is by Prince Gloster, second-prize winner at Toronto as a three-year-old, has a yearling heifer, and a good one, by Clipper Hero, the junior champion at Toronto, 1903, under two years old.

Other good ones, not mentioned, help to make up for Mr. Usher a herd that he may well be proud of.

This is Dr. Goldberg's Picture. Detroit's Famous Specialist who sees all patients personally each time they call. EACH TIME YOU WRITE IT RECEIVES HIS PERSONAL ATTENTION

DR. S. GOLDBERG.
The possessor of 14 diplomas and certificates, whose methods other Detroit specialists try to imitate.

Ever since locating in Detroit many years ago, I have frequently called attention to the fact, that while some specialists advertise 25 or more years' experience, they do so for advertising purposes in order to mislead the public; the founders of these institutes are dead; while the present owners could buy the furniture and the right to practice under the old name, they could not buy their predecessors' brains.

How many of you have paid your hard-earned dollars to these concerns with the expectation of receiving services from specialists who have 25 or more years' experience, but when you called at their offices you were treated by some other doctor than whose picture you saw in the paper? And how many of you saw the same doctor more than once, but each time a different one? Remember, I am doing business on my own reputation and each time you call you see me personally.
